

Ball Team Will Go To Portola For Next Game

The Quincy Red Sox walloped the Truckee-Tahoe Mountaineers in a baseball game here Sunday 24 to 14 in a contest featured by seven more runs than hits by each team.

Manager N. F. (Tom) Dolley and Business Manager R. N. Little announce that a number of changes in the lineup will be in effect when the team goes to Portola for a game Sunday. These changes will be worked out to provide a better defensive infield.

A number of games are scheduled for the coming weeks with Colfax here on July 1, Verdi in Truckee July 4th, Chester here on July 15 and American Valley on July 22. Portola will play a return game here August 5, Little said.

While the team showed lack of practice Sunday, the boys were hustling all the time and the Quincy delegation, leading the Feather River League, has been playing together for several weeks.

Eddie Ulsheimer, local shortstop, who has played with Colfax in some games this season, led the locals in hitting with three for six. Davidson got two for four; Curran two for four; Martin one for two; Frates, two for four; Giovannoni, having a bad hitting day, failed in four times but walked twice; Campbell also went blank for five times as did Stark. Foster hit two for five. Kielhofer, Rau and Johnson failed to connect, although Rau walked in his only time up.

Kielhofer started on the mound for Truckee and pitched three and a third innings when John Rau came in for an inning and two-thirds, Giovannoni finishing the game.

The score: R H E
Quincy 24 20 5
Truckee 14 11 7
Wilford, Thomas, Young and Belton; Kielhofer, Rau, Giovannoni and Frates, Dugan.

TRUCKEE BLOOD GOES TO KOREA

Seventy-five people reported at the blood bank here Tuesday and Wednesday the life-giving fluid was on its way to Korea. Mrs. Gladys Pedley, head of the committee of Girl Scouts who sponsored the bank, reported.

The Girl Scouts expressed their thanks to all who gave blood or contributed to the success of the affair, especially merchants who supplied refreshments. The hall and equipment was furnished by Mrs. Johnny Ciardella and others who contributed were Donner Florists, Mrs. Dan Smith, Wyethia Club, Girl Scout families, Tourist Club, Loynd's, Rose Brothers, Tonini's Grocery, Truckee Mercantile, Duane's Do-Nut Shop, Brown's Sandwich Shop, California Cafe, Star Hotel and Sarge's.

Other assisting were Mrs. Frank Giovannoni, Mrs. John Rablin, Mrs. W. A. Loynd, Mrs. A. Pfander, Mrs. Ciardella, Mrs. T. T. Buell, Mrs. A. P. Leitch and Mrs. Arthur Walters.

LAST RITES HELD FOR BENJAMIN

Funeral services were held at Grand Junction, Colo., Friday for Augustus J. Benjamin, who was drowned at Whidbey Island, Wash., navy air base May 30. Benjamin lived here with his parents prior to joining the navy.

The youth was born January 9, 1929, in Colorado and was a graduate of the Grand Junction high school in 1946. He entered the air force in January, 1946, and served overseas until his discharge as a sergeant January 22, 1950. He worked here for the Southern Pacific during most of 1950 until his enlistment in the navy. He was a member of the Methodist Church and a majority member of the DeMolay.

Surviving are his parents of Truckee and two brothers, J. W. of Tarpon Springs, Fla., and K. C. Benjamin of Pensacola, Fla.

Cub Scouts Picnic Set For Monday Afternoon

Cub Scout Den No. 2 meets at 2 p.m. Mondays through the summer school vacation period, Mrs. Gladys Pedley announced. A picnic will be held Monday afternoon from noon until 4 p.m. and the Cubs will gather at the S. P. depot for transportation.

Mrs. Loynd Seriously Ill In Reno Medical Center

Mrs. Joseph Loynd, mother of W. A. and E. L. Loynd of Truckee, was taken to the Washoe Medical Center at Reno Monday by Truckee Ambulance and her condition is described as serious. For years Mrs. Loynd, who is 77, has suffered with arthritis which has continued to develop until hospitalization became necessary.

Scholarship Goes To Tahoe Student For Achievement

Among the awards made at the graduation exercises of the Tahoe-Truckee High School last Saturday at Tahoe was the Bliss Hinkle Scholarship, valued at \$250, which went to Mary Boyce of Kings Beach as the outstanding student in the class. Honorable mention went to Ray Sorensen of Tahoe Vista.

The award is made by the Tahoe Sierra branch, AAUW, and annually goes to the outstanding student to assist in further education. Miss Boyce plans to attend the University of California.

"The AAUW is proud to be able to assist so deserving a student," Mrs. Kjell Rustad, scholarship committee chairman, said. "She will, because of her fine abilities, recognized by her teachers and friends alike, develop into a fine citizen. We are confident that as an educated adult she will contribute a great deal to whatever community she chooses to live in and we hope she will return to this area to make her home."

Rites Held For Mrs. Clara Ocker

Funeral services for Mrs. Clara Finley Ocker, 75, a resident of Truckee for many years, were held yesterday at the Saratoga Odd Fellows and Rebekah Home and interment followed at the family plot in Gilroy.

Mrs. Ocker, who was a resident of the home for nearly a year, expired there Monday morning following a rather brief illness.

A native of Gilroy, Mrs. Ocker went with her family to Wadsworth, Nevada, when a small girl. She resided there until the death of her father, a pioneer Southern Pacific employee, and then moved to Sacramento with her mother. She came to Truckee and was married to the late Charles A. Ocker 20 years ago and she made her home here until five years ago when she went to San Francisco to live. Last July she secured admission to the Odd Fellows home.

Mrs. Ocker is survived by one brother, Everett Finley, and a niece and nephew, all living in San Francisco. She had many friends here who will deeply regret her death.

Local Utility Board Reorganizes, Pays Bills

E. L. Loynd and Harold T. Langille, recently elected directors of the Truckee Public Utility District, took office at the last meeting of the board of directors. Loynd, who was reelected at the May 1 election, is again chairman of the board. Charles Heller, the third member of the board, has two more years to serve.

Routine bills to the amount of \$4335.53 were ordered paid. The largest of these was a bill of \$1864.75 to the General Electric Company for transformers for the new high school here.

ROGERS IS NAMED AUTO SALESMAN

David L. Rogers, a newcomer to Truckee, has been appointed resident salesman by the Auburn Auto Metal Shop, dealers in Willys Jeeps and Henry J. automobiles. Rogers will have the Truckee and Lake Tahoe areas.

Rogers expects to build a new home in this area and will be come a permanent resident of Truckee. He is a former newspaperman in Marin County.

Thimble Club to Meet At Mayer Home July 10

The Thimble Club will meet on July 10 in the home of Mrs. Alice Mayer, with Mrs. Oscar Schumacher as co-hostess. The present project is to donate to the local churches and all are urged to be present to assist in the worthy movement.

Mrs. Donald Sites and Mrs. W. Smisek were hostesses at the June 4 meeting when the project of raising funds for the Catholic and Protestant churches was discussed.

Richard Hoskins of Grass Valley was a business visitor here this week.

Summit Utility Improvement Is Under Discussion

SODA SPRINGS—Petitions asking for the inclusion of a large area of improved and unimproved property in the Donner Summit Public Utility District to provide additional taxable lands, so that the district can be assured of a more adequate water supply and better sanitary conditions, will be presented to the Nevada County board of supervisors despite objection from eight of the owners in the area under controversy.

This was determined at a meeting of the district at Beacon Hill Lodge Tuesday night. The protesters, or at least three of them, were represented by Robert Robinson, Auburn attorney, while James T. Martin represented the district. James Sherritt, one of the original nine protesters, withdrew his objection during the meeting.

The petition, according to information from William Rutherford, president of the board, contains 18 names representing sufficient property to assure a hearing before the supervisors at a meeting to be called at a later date.

The district has been struggling along without sufficient capital to operate as the directors desire and the acquisition of the additional property is expected to provide funds so that work can be started on a water system to cost approximately \$175,000.

State health officials have warned the property owners that a better water system than the current supply must be installed if the summit resort area is to continue to progress. The proposed supply would come from Lake Montez Lake. Thirty-four attended the meeting.

RABLIN BROTHERS PASS ON HIGH SEAS

Ships that pass . . .
Perry Jay Rablin, son of Mr. and Mrs. John M. Rablin, is due home this week following a record breaking trip across the Pacific aboard the carrier USS Philippine Sea from Japan to San Francisco, after having been on active duty in the waters off Korea since last summer. He is now at San Diego awaiting his leave.

While the Philippine Sea was making knots for the states, a troop ship bearing Jay's brother, John T. Rablin, was headed the other way and young John's wife this week received word that his army outfit had landed in Japan.

BISHOP TO CONFIRM LARGE CLASS HERE

Next Sunday, June 17, will mark Confirmation Sunday here in Truckee and at Lake Tahoe. His Excellency, Most Rev. Robert J. Armstrong, Bishop of Sacramento, will be present to confer the sacrament of Confirmation.

The following students will be confirmed Sunday morning immediately after the 9:30 Mass at the Assumption Church, Truckee: Mike Goicoa, Bobbie Tonini, Mary Ann Tonini, Charlie Cozzi, Louis Ramirez, Easton Buehler, Janice Buehler, Eugene Carrillo, Ginger Reynolds, Irene Goicoa, Joe Miller, Frankie Giovannoni, Donald Sites Jr., Jacqueline Wilson, Jimmie Goodhue, Barbara Dugan, Betty Parkhurst, Irma Smisek, Lillian Sites.

Rev. P. J. O'Neill will assist the bishop here. Mrs. Arthur Kehm, organist, and the Truckee choir will render appropriate music both here and at Lake Tahoe. Details of the Tahoe ceremonies will be found elsewhere in this issue of the Sierra Sun.

WYETHIA MEETING
Mrs. Barney Phipps will preside at the business meeting of the Wyethia Club tomorrow evening, which will be followed by a sewing circle.

Flag Day Birthdates
Mrs. Annie Tonini and Anton Mahne are two Truckeeites who celebrate their birthdays today.

Improving Property
Mr. and Mrs. George Byard and daughter and Mrs. Byard's sister, all of Tarzana, are making improvements on their property at Tahoe while enjoying a vacation.

With schools out for the summer and children allowed more privileges than ordinarily, motorists are urged to be especially careful. Carefree youngsters are inclined to forget the lethal power of an automobile, so it's up to the operator to double his caution.

The turnout for the baseball game Sunday was not as large as expected. Sponsors of the game this summer are bending every effort to provide fun and relaxation for Sunday afternoons and are developing a good ball club. We believe it is only fair, if we wish the game continued throughout this and future seasons, that we go out and cheer the team on and while there contribute generously to the kitty—the sole source of revenue to carry on the sport.

Schedule Given For Swim Classes

James Brehler, summer recreation and swimming director for the Tahoe-Truckee Unified School District, announces that the swimming program will commence on Monday, June 18. Brehler is a certified Red Cross water safety instructor and will conduct the program with the aid of assistants to be appointed.

The following schedule has been arranged for the preliminary sign-up:

Monday, June 18: Kings Beach area, 10 a.m.: Group will meet on the beach directly behind Loynd's Drug store.

Tuesday, June 19: Tahoe City area: A school bus will leave Tahoe City at 8:30 a.m. and will go down the west side of the lake as far as Tahoma. It will leave Tahoma at 9 a.m. All students in this area planning on registering Tuesday should be waiting on the highway in time for the bus, just as was done during the regular school term. This group will then be taken to the Lake Forest beach for registration and screening.

Wednesday, June 20: Donner Summit and Truckee areas: A school bus will leave the Truckee elementary school for the instruction area at 9 a.m. All students in the Truckee area will board this bus at the school. The Donner Trail School students will meet this group at the Beacon Hill Lodge pool at approximately 10 a.m. for registration and screening.

Brehler reminds all students that in order to participate in the recreation as well as the swimming program, a signed parental permission form must be turned in. If this form was not returned to school, then a signed note, giving such permission, should be brought to next week's meeting. The first meeting of each of the three groups will be devoted to registration and screening of each pupil. Screening will be done to determine in which skill group each participant is to be placed. These groups will include non-swimmers, beginners, intermediates, advanced swimmers and junior and senior life savers.

All students should be equipped with a bathing suit, towel and warm jacket or sweater.

As soon as the complete swimming schedule is arranged, other recreational activities will be organized and scheduled to form a complete summer recreation program.

JACK ELLIS TO HEAD TRUCKEE 20-30 CLUB

Jack Ellis was elected president of the Truckee 20-30 Club at last night's meeting held at Cozzi's Cafe and his brother, Cliff, was chosen as vice president. Loren Russell was named sergeant at arms and O. G. Alexander, L. W. Ferdinand and Harvey Hocker will serve as directors.

The new officers will be installed July 7 at a ladies night program.

Teacher Leaves
James Leamon returned after taking Miss Irene Oetjen to the home of her parents, Mr. and Mrs. Fred Oetjen at Mountain View, following the close of school.

Schlueter Dies At Lake After Lengthy Illness

TAHOE CITY—Theodore A. Schlueter, 79, prominent Lake Tahoe resident and resort owner, died in his sleep early this morning, following a lengthy illness. Schlueter was a native of San Francisco and often visited there and in Oakland.

Funeral services will be held Saturday at 3:30 p.m. from the Grant Miller Mortuary on Telegraph Avenue in Oakland. Friends of the family are welcome at the service which will be followed by private cremation service at the Oakland Columbarium. Interment will also be private.

He is survived by his wife, Fern, who is leaving with her sister, Mrs. Vivian Nelson of Oakland, for Oakland today, and one daughter, Mrs. Ruth Summers of Laguna Beach.

Mrs. Schlueter is expected return here next week.

ASKS SUPPORT IN CANCER CRUSADE

James Leamon, chairman of the 20-30 Club's committee on the fight against cancer for the American Cancer Society, reports that 500 letters have been mailed asking for funds to assist in the worthy project. Depositories have been distributed throughout the area as the club concentrates to bring the drive to an early close with success resulting.

"Please, don't ignore this appeal," Leamon said. "Your assistance is needed and any help you give will be appreciated."

CHAMBER MOVES TO MARK FOURTH

Preparations for decorating the town for Independence Day were completed at the meeting of the Truckee Chamber of Commerce at the Sportsmen Thursday. The tall flag pole near the S. P. Hotel has been taken down by Ernie Dugan and is being painted and a new rope and pulley are being installed. Banners have been procured and will be used to decorate the main street.

The next meeting will be held at Gateway Cafe June 21 when further plans for July 4th will be discussed.

Firemen Declare Recess Of Sessions for Summer

The Truckee Volunteer Fire Department met Tuesday night at Cozzi's Cafe and voted to suspend their monthly sessions until October. Hugh Weinand was named to a vacancy on the department and Chief N. F. Dolley presided.

20-30 Slates Practice For Softball Team

The Truckee 20-30 Club's softball team will begin practice next Wednesday night, June 20. The first practice will start at 6:30 in the evening at the local ball park. Jack Ellis and Loren Russell are on the committee in charge.

Bible School Program To Be Held Sunday

Mrs. Eugene Ridsen announces that a program and display of work done at the Vacation Bible School this week will be held next Sunday at the Truckee Community Methodist Church during the Sunday school period from 10:30 to 11:30 a.m. All parents and friends are invited to attend.

Smiths Visit
Mr. and Mrs. Carl Smith of San Francisco expect to return home tomorrow following a visit with local friends and looking after their Donner Lake property.

Back from East
Mrs. George Carter returned last week from a visit with relatives in New York. She made the trip by plane and her husband met her in San Francisco.

Entertain School Faculty
Mr. and Mrs. W. C. Gage entertained at a dinner party last Friday evening for members of the Truckee elementary school faculty and their husbands and wives.

PASSES IN SLEEP

Tahoe Lions Club Installed At Lake

KINGS BEACH—In excess of 150 visitors and members attended Charter Night for the Lake Tahoe Lions Club at Cal-Vada Lodge last night with District Governor Robert Titus officiating as installing officer.

Clubs from Roseville, Truckee, Grass Valley, Reno and Sacramento were represented. The Truckee club, headed by R. C. Gifford, was the sponsor and was largely represented.

Harry Charrison was installed as the first president; Laurence D. Rood, first vice; Cloyd Sipes, secretary; Melvin Throop, lion tamer; James D. Ashton, taitwister. Directors are Walter Fremier, Robert Davis, Carl Brooks and W. D. Mizner.

Among the prominent guests was the International Counselor, Ellsworth Deering of Sacramento.

Gifts were presented to the club including the banner, gavel and collection pot.

Following the impressive ceremonies, the evening was devoted to pleasure with dancing and good fellowship as the newest Lions Club got away to a flying start and with best wishes from the community.

LADIES OF ROTARY GUESTS AT MEET

The ladies of Rotary were entertained by the Truckee Club in celebrating charter night and the dedication of President Jim Sherritt at its meeting Monday. A splendid program and dancing were enjoyed later.

Master of ceremonies was Rev. A. A. Carmichael. Floral corsages were presented to Mrs. Sherritt and Mrs. Carmichael. Mrs. Fred Pedley and part of the cast of the Gay 90s were dinner guests and furnished the program.

Frank E. Judy of Walnut Grove, district governor-elect, presented the past president's pin to Sherritt. Judy gave a talk on the recent Rotary conference at Lake Placid, N. Y., and the international convention at Atlantic City. He also spoke on plans for the district assembly to be held at South Tahoe June 26 and 27.

George Eaton Loses Leg As Accident Aftermath

George Eaton, 22, son of Harry Eaton of Truckee and former well known local boy, had his right leg amputated above the knee last Thursday in Letterman Hospital at San Francisco. His father and grandfather, who visited him last week, said he is recovering nicely.

George had his foot crushed in an automobile accident several weeks ago and every effort to save the limb was exhausted and amputation was found necessary to save his life.

Rebekahs Prepare For Visit of Lodge Leader

Naomi Rebekah Lodge No. 2 met Wednesday night with Alice McGee, noble grand, presiding. Plans were made to entertain the district deputy president, Jean Brass, of Nevada City on July 11.

The members are planning a parcel post party to be held in the hall on a date to be decided later.

New Quarantine Station Is Given Official Approval

Among the northern California building projects approved and included in the budget for construction during 1951-52, is the proposed \$87,794 quarantine station to be erected at the Truckee-Tahoe Wye, a mile west of here.

The local station was one of many projects totaling \$6,173,928 in the Sacramento vicinity.

Another contemplated building which has received approval is a quarantine station at Myers at the south end of Lake Tahoe to cost \$44,034, according to the report.

Although the \$60,000 Donner Park Museum was approved and funds were appropriated by the legislature for the division of beaches and parks, this project has been recommended for deferment as part of the senate committee's economy program and will likely be delayed, the Capitol News Service reported.

Building of the quarantine station near here is expected to result in closing of the Brockway station at Tahoe, since traffic must either enter the state by Myers or the Tahoe Wye.

DUANE POMIN WILL LAUNCH CRUISER

TAHOE CITY—Sunday, June 17, at 2 p.m. is the time set by Bud Scott, owner-manager of the Lake Tahoe Boat Service, for the launching of his new luxury cruiser "Tahoe" at the ways of the Tahoe Boat Company, Tahoe City.

The craft will be christened by little Duane Pomin, daughter of Mr. and Mrs. Robert Pomin of Tahoe City and great-granddaughter of Captain Ernest J. Pomin, first skipper of the original steamer Tahoe, which he piloted around the lake from June 24, 1896, until his death in 1919.

Four hundred invitations have been mailed out to friends of the owner and dignitaries of California and Nevada. A cocktail party and buffet lunch will be served the guests at the Tahoe Boat Company offices and camera men will be on hand to record the occasion.

The scheduled 72 mile trip around the lake twice will follow the route of its famous predecessor, with stop overs at 11 of the major resorts. It will leave on the morning run daily at 8:45 a.m. from Tahoe City, the trip to consume approximately 4 1/2 hours. Present plans call for operation from June 17 to September 15.

Fire Control Personnel Attend 3-Day School

Fire control personnel of the Truckee District, Tahoe National Forest, have returned from a three day school held at Indian Valley, Sierra County, June 11, 12 and 13. These included Ranger E. E. Boehm, Fire Control Officer W. F. Curran, Paul Meischke, C. S. Beavers, Gerry Paige, Hugh Shera and William Silvers.

Curran left today for a similar school being held at Dog Valley on the Toiyabe National Forest.

Curran reported a small lightning fire at Dry Creek resulted from Sunday's passing electric storm.

Donner Theater Boosts Rates for Admission

Minor increases in the price of admission to partly offset the increased costs of operation were announced this week by V. C. Shattuck, manager of the Donner Theater. The new prices will go into effect Sunday, June 24, and will be as follows: general admission, 60 cents; children not in arms, 25 cents; students 50 cents and loges, 80 cents. The prices include the 20 percent federal tax.

This is the first raise in prices by the local theater during the past decade and new prices are still far below the average being charged by theaters offering first run pictures, Shattuck said. He added that the Donner will continue to feature only the best of the industry offers in entertainment.

Former Truckeeites Visit Local Relatives Recently

Mrs. Vesta Mellon and her daughter, Mrs. J. R. Bisset and the latter's young son, Robert Roger, were visitors with Mr. and Mrs. Sam Costa.

Robert was born on May 10, weighing 8 pounds 14 ounces. His father graduated this month from University of Nevada and is momentarily expecting a call into the U. S. Naval service. Mrs. Bisset is the former Bonita Mellon who attended the Nevada university after graduating from local schools.

Mrs. Maude Gaffield celebrated her birthday on June 9. The day was marked by a surprise visit from her son, Fred Perry, and family from Bijou.

The marriage of Jack Murray of Alameda and Roselle Grimes of Oakland was solemnized with simple and impressive rites performed by Rev. A. A. Carmichael last Saturday at the home of Mr. and Mrs. P. R. Murray of Tahoe Estates. The groom is a nephew of the local man. No other guests were present. After spending a few days at Brockway Hotel and at Reno, the newlyweds will visit Jack's uncles, the Cashbaugh Brothers, at Bishop. Weekend guests at the home of the Murrys were Dagmar Nannfeldt and Carol Wood of Merced.

Dick Boyce spent last weekend at home, coming from Salt Lake City for daughter Mary's graduation exercises. Were we surprised about a week ago when Mr. and Mrs. Wendell Hilton of Hot Springs, Ark., dropped in for lunch. Hilton is a cousin of Mack Burroughs. Preston, Du-die, Sheri, Pauline and Nancy also dropped in for a visit.

Sunday Don Bowman had the misfortune to come in contact with an explosion of a chlorine gas tank. Within five minutes Dr. Nessim was on the scene and at work. Consequently, Don was able to attend his regular Rotary meeting though unable to preside.

The little note last week on those Eastern Star members attending the Beckwith Chapter was intended for this column, merely mentioning those who attended from North Lake Tahoe. Understand number went also from Truckee. Sorry, we didn't intend to overlook anyone.

Raymond Robinson and Bobby Phoenix of the Carson Indian Agency School were involved in a serious accident on Brockway Hill Saturday night when their car left the highway, rolling almost to the Brockway Hotel driveway below. One of the boys suffered a fractured skull. It is not known if the other suffered serious injury.

Vacation days are really here again with school days in the past for the summer as of last Friday. There was a picnic party for the students of Kings Beach School at which principal Charles Chubb was assisted by Audrey Welch.

Chubb left last weekend to enter Stanford for a year, where he hopes to receive his administrative and superintendent's credentials. Replacing him for next year will be Lynn Kishbaugh, who is leaving the Truckee school where he has taught the fifth and sixth grades. Mrs. K. Wing, teacher in the school, will enter Sacramento State College for six weeks training this summer while Miss Gladys Bryant will take six weeks training at San Francisco State in the art of kindergarten teaching in order to better watch over and instruct the Kings Beach kindergarten group this fall.

SUMMIT SCENE

by FRAN COUILLARD
At Ice Lakes, we understand, the solarium has given up a portion of its floor space for a cozy cocktail counter. This can mean but one thing, knowing Bill Rutherford

as we do, that the new counter must overlook the beautiful lakes and as Bill's seasonal license can be again resumed on July 1, we really look for the beginning of a grand summer festival in this retreat on said date. In fact, we verify same and learn that a bar-

becue too is in the offing.

The Soda Springs Hotel will also open a portion of its new setup around that particular time.

The week preceding the two above mentioned jubilees will witness the opening of Donner Summit Lodge's fifth season as a

smorgasbord house. This year's table of delight should be better than ever, for Roy King, the soft spoken Texan who is king of the kitchen, has augmented his staff with the equally soft spoken and equally fine range wizard, Wally Polk.

The wind that blows down from the Summit's tip whispers that Jack and Pat Woodard of the Ski Ranch promise thrills and chills in some kind of summer seasonal wing ding also.

Already behind us is the Cisco Grove party which, we regret to say, we did not get to attend even after we had dolled up to the best of our ability for the handshake with the new owners, Gull and English. We had also taken up a few notches in the belt of our freshly pressed slacks, having starved throughout the day for the super buffet we heard was being set up, and which those who attended confirmed as being super afterwards. Fact was that one of our prominent summer residents came up from the valley's heat for a weekend of fishing and what not and got himself lost. We spent a few worried hours helping hunt for said strayed and thereby missed the party. Just by way of rounding off the last bit of information, said prodigal walked to his destination which was miles off the highway and arrived at 7:50 a.m. next morning. The great hunting party included several mountain folk who had planned on attending said wing ding and so we get our heads together to plan a date to make up for our seeming neglect.

We attended the Rotary Club's ladies night party at Donner Lake Lodge last Monday evening and think that Bingo stole the show. Bingo is Jim Sherritt's sheep dog and as Sherritt was being "demoted" in the usual charter night manner from the presidency and his classification is sheep herder, it was fitting that Jim be placed in a corral dressed in a sheep herder's rig with his dog, Bingo, beside him. Bingo was a good sport, even wearing a corsage in his collar gracefully. He more or less objected to a bit of simulated rough handling of his master but he manfully stayed until the end and finally went home with a list of new admirers.

While at Donner Lake Lodge, we learned from Hap Warneke that July 15 is the day to plan a picnic lunch and relax on the shore of beautiful Donner Lake for that date is given over to the National Outboard Motor Classic which will start around noon. With eight classes and 50 entries thus far, you can see a picnic is in order.

Talking about a busy summer brings forth the exclamation that last Sunday's business on the hill was the best yet for this time of the year—in fact it was a record breaker. From Emigrant Gap on up, most of the lodges surprisedly reported "full house." Fishing season's good catches may be the answer, or the valley heat.

We regret to start our personnel comment with the announcement that our good neighbor, Helen Mc-

Carty, lies in a Reno hospital on a boarded bed with her neck in painful traction, the result of a recent automobile accident on Donner Bridge. Helen has been under great nervous strain for the past weeks and the doctors final decision to place her in a hospital doesn't, at this time, include a date at which she may leave. Gloria and Harold Steen at Kingvale's Snotel labor long and hard as they take in their first influx of loggers. Mrs. Toy Aro regretfully left her beautiful Swiss-type home to attend her mother in Berkeley. Her home, one of the show places on Forty in this section, has been taken over by the well known Marrots of the bay peninsula. Mr. and Mrs. Marro, affectionately referred to as the "nut and chip people," have purveyed in this area for many years. The beautiful Paul Prom home on the headwaters of the Yuba, written up and photographically displayed in national

magazines, has been purchased by good friends Jerry and Barbara Jansen of Lincoln. Barbara expects to spend most of the summer in these hills, where she can cast a line from her front porch into the same roaring Yuba. Edi Aro, we sadly state, must return to a hospital. —Continued on Page 6

ROSE BROS.' MARKET Just West of Truckee

All the Comforts to Roam

This time has come when folks are spreading out road maps—and casting a yearning eye on distant lakes, rivers, mountains, ranches and shores.

America's getting ready for the great vacation trek—and we'd like to point out how much fun it would be to hit the trail in the Buick SUPER pictured here.

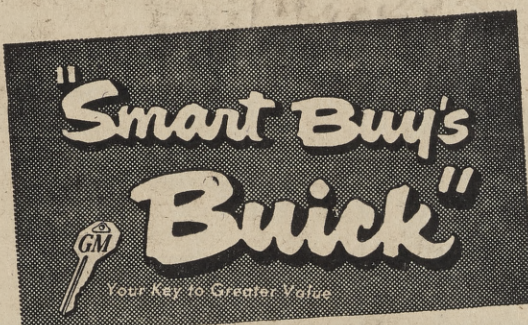

You'd have the comfort of room—seat-room, headroom, legroom—room that's unsurpassed by any six-passenger car on the market, regardless of price.

You'd have the comfort of trunk space so ample that you won't need to have bags and baggage underfoot inside the car.

You'd have the comfort of a ride so

smooth that there'd be no worry about youngsters reading while they travel—and a ride that pillows the bumps of back roads if they lead where you want to go.

You'd have the comfort of Dynaflo Drive*—and don't underrate what that means. You roll relaxed for hour after hour. There's nothing for your left foot to do—and your right can rest at ease on the gas treadle—and still feed a smooth flow of power.

Even the Fireball Engine adds to your comfort—because it laps up miles like a kitten laps up cream—takes you where you want to go with an effortless smoothness that is easy on your pocketbook too.

Fact is—this Buick SUPER is a great car to own, any month in the year—and for years to come.

So if you haven't tried one—better come in now and find out what a smart buy it is from every standpoint—including its price tag.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Buicks.

No other car provides all this:

Cook Electrically and Keep Cool

Do you dread summer cooking? Is it hotter in your kitchen when you are preparing a meal than outdoors in the sun? If so, take this tip: COOK ELECTRICALLY. Electric cooking takes the drudgery out of summer meals. Heat does not escape through the oven walls. Heat from the surface units goes into cooking the food—not out into the room.

Why not enjoy cool, comfortable summer cooking at your house with an electric range?

SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W
June 10, 1951

Dear Tahoeites:
Sunday this week finds me in Reno at daughter Marie's home, awaiting a visit to the doctor the first thing in the morning. Have had a bad time with my back for some time past and am anxious to find out just what the trouble is. The weather today was hot over here, with the mercury soaring over 83 this afternoon, but tonight is cool. Tahoe nights are still cool too but days have been lovely.

Left Tahoe this morning, but not before stopping in at Conger's for breakfast. Was certainly surprised to find myself beside old neighbors and friends, the Everett Prussos, original owners, builders and operators of Forest Inn on Ward Creek, who now reside with other members of their family in San Leandro. They had been up to visit at their summer home on the lakeshore beyond Dollar Hill and were leaving for home on Monday. They are "lending" out their home to friends for the month of June and renting it for July and will be up to spend the entire month of September here. They tell me that son, Cpl. Don Prusso, at present is stationed in England with the Air Force police. He recently wrote home that he had enjoyed a few days stay in Spain in line of duty and enjoyed it immensely.

While chatting with the Prussos who should come in for breakfast but Dick Hinkle, up for a brief stay on business. He informed me that he will soon leave for Fort Lewis, Wash., for a stint in army summer training. He will be accompanied by his wife, Ramona, and baby son, Luke, who will live with his sister Marilyn (Mrs. George Myers of Seattle) while he goes through his paces. Dick has certainly enjoyed a variety of service with his Uncle Sam, having started in the Navy V-12 program at University of California, Berkeley. He still has another year to complete this course. He has also been in the Marine Corps and now winds up with the army.

Looking up from my very delicious thin buckwheats, a Conger's special, who do I find sitting on my right but the Dr. Heany family from San Francisco, m'across-the-street neighbors on Fairway Drive. Mrs. H., the doctor, little son Joey, and daughters Edith and Mary; only Jimmie was missing and he is working in San Francisco. They had arrived for the summer season and will occupy their home in town for three or more months. Mary will return to the big city to take a summer course at school and then return the end of July for a vacation with the family here.

Mrs. Marie Henry of Tahoe City has had several letters from daughter Pat who has arrived in Iceland via plane and is enjoying a stay with her old friend and classmate the former Alice Soll, now Mrs. Ali Sigurdsson of Akureyri, Iceland. The girls are going horseback daily and seeing the beautiful sights of that strange country. One thing Pat can't get used to is the long sun baths which are possible as the sun shines all night, says Pat, and she finds it hard to sleep. They are taking pictures of their many ventures and Pat will have an interesting collection to show when he arrives for a visit at Tahoe with her parents sometime this fall.

Mrs. Henry announces this week that the amount of money so far collected here for the annual Cancer drive has reached \$212. She thanks all those who have donated and asks that those who may not have received their letters kindly mail their checks in care of her.

at Tahoe City. Any contribution will be greatly appreciated. The drive continues throughout July.

Caught a brief glimpse of the Kjell Rustads while talking with Marie and learned that he and Al Henry Jr. were taking off with their families for a spin in the Rustad sailboat, Polaris, with a picnic near Meeks Bay. Kjell's birthday was on June 9 and Al's was June 11th, hence the celebration.

Also ran into Mr. and Mrs. Dor Del Carlos of Oakland and daughter, who have arrived from the bay area and are preparing their popular Swedish Farmhouse on the lakeshore for the summer season. Opening date, June 15.

Jack Dunne was treading on air last Friday when he had the good fortune to sell the family's five-acre ranch south of Marysville. Now his wife can join him here for the summer, along with their daughter, Jacqueline. They will occupy the Bowman house on Fairway Drive for the season.

Captain and Mrs. John Kvistberg of Burlingame were visitors for a week at the Pineland home of their grandson and his wife Mr. and Mrs. James Easton.

Mr. and Mrs. D. M. Brodehl of Lodi were visitors at the Jay Shontz home in town over the weekend. Mrs. Brodehl plans to remain for a week while her husband remains in town.

TAHOE LETTER

Continued from Page 4

band returned to the ranch. Janice Broedel has returned to live with the Shontzes for the summer. She left to go to Lodi to receive her diploma.

Among weekend guests at the Imion Mitchell home in Sunnyside were Mr. and Mrs. Ismel Mitchell of Grass Valley, son Ramsey and daughter Jackie Dee and Mr. and Mrs. Bill Raufs and son Mark.

Mr. and Mrs. Oliver Thorgenson of Berkeley were guests at dinner Saturday night of Mr. and Mrs. Bud Scott at the White House, Carnelian Bay. Thorgenson is chief test engineer for Hall-Scott Motors in Berkeley and came up to inspect the new luxury cruiser, Tahoe, which is being launched at Tahoe Boat Company on Sunday, June 17, at 2 p.m.

Henry's Tahoe City Garage was called on Sunday morning around 5:45 a.m. when the car of Major Frederick Ganz of the Tahoma district spun out of control in front of the Tahoe City telephone office and struck a tree. The major was not injured but his car was badly damaged.

The many Tahoe friends of Mr. and Mrs. Phil Geier are both happy and regretful at the news which came recently. For it means good fortune for the Geiers in securing a very fine position but it also means they must leave their beloved home in Tahoe Park and depart for Middletown. They will leave soon for a big ranch which has been purchased by R. K. Davies on which pure-bred cattle will be raised and Phil will be the new manager of the ranch. They have resided for the past six years at Tahoe and while happy to be assured of security, they regret leaving their many friends in this area. Mrs. Geier recently returned from Arcadia where she visited for three weeks with her daughter and family, Mr. and Mrs. C. F. Bailey, and daughter Susan. Little Susan returned to the lake to enjoy a visit here with the Geiers.

Friends of Charles A. Swanson were somewhat surprised to read in a Reno paper where he had died on Saturday last in a Reno

hospital. But while Swanson of Tahoe City has been quite ill for the past week with a very severe cold, he was far from dead when last contacted. The Charles A. Swanson who died also came from Sweden when a young man, just like Tahoe City's C.A.S., and was the same age. The Swanson who passed away on Saturday was a construction worker from San Francisco and came to Reno a few years ago to make his home. Unlike Tahoe's Mr. S. the dead man had no known living relatives.

The same issue of the Reno paper which carried the above item also contained an account of the highlights of the 61st commencement exercises at the University of Nevada on Monday, Topping the list of highest award winners was Robert T. Schumacher of Reno, son of Mr. and Mrs. Jay Schumacher of Reno. He received the Herz gold medal for four years of scholastic excellence, having majored in physics and math. The award is considered one of the most coveted of all the university's rewards. He won a scholarship in each of his four years at U. of N. I called his dad on the phone to offer congratulations and ask a few questions and was told that Bob will go to University of Illinois to further his studies toward his Ph.D. This brilliant young scholar is a former Tahoe Lake student who completed two years of high school under the tutelage of the late Bliss Hingle and his own dad, who was an instructor under the old Tahoe branch of the Placer Union high school. In four years of undergraduate work he compiled a grade average of 3.82, a perfect score being 4.00. The Schumachers were owners and operators of a resort in the Tahoma district for some years and left for Reno with reluctance. Am sure the many old friends of the family who remain in the Lake Tahoe area will join me in extending heartfelt congratulations for this very worthwhile achievement. A pleasant surprise was a telegram from Mrs. Myrtle Gallinger, former principal of the Tahoe Lake elementary grades, who now resides in Newcastle.

Tahoe, Desolation Region To Be Planted by Air

More than two and a half million trout will find new homes in California lakes when division of fish and game takes off this week on its annual aerial fish planting mission. The fingerlings will be dropped in 579 Sierra lakes between Kings Canyon National Park in Fresno County and the Marble Mountains Primitive Area in Siskiyou County. The three to five inch brook and rainbow trout are dropped from an airplane flying at heights of 250 to 800 feet.

The largest regional planting of 625,000 fish will be supplied by the division's Tahoe hatchery for dropping in 120 lakes of the Tahoe-Desolation Valley area. "Operation Flying Fish" — the largest aerial planting program in the nation — will wind up August 2. Earl Leitritz, state hatchery supervisor, stated that the fingerlings will provide certain sport for thousands of anglers next year — and may be worth taking home this season.

evening and am more than a little relieved at the verdict which the specialist I visited today rendered. After a thorough examination, he declared that no surgery would be required to remedy my back troubles, my only requirement being to wear a rather uncomfortable brace for three months or so.

Next Sunday, June 17, holds double significance for Tahoeites. Not only will it be the day to honor fathers of the nation but it will also see the launching of the beautiful, sleek, new luxury cruiser Tahoe, to be operated by Bud Scott, owner-manager of the Lake Tahoe Boat Service of Tahoe Tavern. Many dignitaries will be present and invitations have been sent to the governors of California and Nevada. Oldtimers and new residents alike are welcoming the advent of the new cruiser which will restore to Lake Tahoe so much of the lively activity and romance of olden times. Summer schedules will start at once for the twice a day round-the-lake trip, to be made counter-clockwise starting from Tahoe City at 8:45 each morning. Ray Davis, who has been employed for the past three years by Scott as a licensed operator, will be given the job of assistant captain later in the summer.

It's adios again until next week with best of good wishes to one and all, as ever, Swanee.

The Hut at Homewood Open For Season

HOMEWOOD— Mr. and Mrs. Edgar Myers announce that they have opened their The Hut at Homewood for the season.

Eddie Kalem will have charge of the kitchen this season. He comes highly recommended from Palm Springs, where he is scheduled to return October 1. Kalem's wife and children are residing at

Lake Tahoe during the time he will be employed here.

Johnny Finnegan is starting his fifth straight season in The Hut cocktail lounge.

Hans Hansen Writes—

Hans Hansen of Half Moon Bay and pioneer resident of Lake Tahoe writes a cheery note to ask how all his local friends are and promises to visit this vicinity soon.

"What's this 'integration' they're attacking you for?"

One of the complaints that a certain minority in this country is now making about big companies like Standard Oil Company of California is that they practice "integration". This word is made to sound so evil that you may wonder what it means as it's used in this case.

The fact is that integration is common in American businesses both large and small. They use it as a natural part of their system of increasing efficiency, cutting costs and improving products. Integration doesn't make a good company bad. To understand integration at a glance, look at this parallel:

A fisherman takes his boat onto the ocean and makes his catch. Standard discovers oil and brings it up out of the ground. If both then sell to somebody else — the fisherman to a buyer at wharfside, and Standard to a buyer at the well — there's no integration. Suppose each takes the next step . . .

When the fisherman cleans his own fish, he has become an integrated business. So, too, Standard. Like him, we work to put the product into the form you want. We refine the crude oil we produce — turn it into gasoline, lubricants, chemicals. This is the practice of integration.

If the fisherman now carries his cleaned catch to the market-place, he is further integrated, for he is now also in the transportation business . . . as is Standard when we operate our own pipelines and tankers to carry oil from well to refinery, or refined products to areas where they'll be used.

And if the fisherman then sells his product through a store of his own, he completes his integration. Standard does it, too, through Company-owned stations (about 1 in 7 stations where Chevron gasoline is sold). Integration helps companies do better for you and the nation.

I'd Like to Know . . . Many people write to Standard asking pertinent questions about the Company. We answer all letters individually, but some points seem of general interest. We take this way of discussing them for everyone. If you have a question, we urge you to write in care of: "I'D LIKE TO KNOW," 225 Bush Street, San Francisco 20.

(SUPPLEMENTAL)
PROCEEDINGS OF THE BOARD
OF SUPERVISORS FOR THE
MONTH OF JUNE, 1951

June 5, 1951
The meeting of the Board convened at 10 o'clock A. M. pursuant to adjournment. The meeting was called to order by Chairman H. G. Loehr, and, upon roll call, all the members were noted present. The minutes of the meeting of June 1st were read by the Clerk, and, no errors or omissions being noted, were ordered adopted as read.

A letter was read to the Board from the Nevada City Chamber of Commerce wherein the Chamber voiced its objections to the abolition of the Nevada Township Justices Court under the Court re-organization program.

A petition signed by 20 residents and taxpayers of the Bost Avenue road in the Gold Flat section urging the Board to include Bost Avenue in the County Road system for maintenance purposes was received and filed. Supervisor C. J. Tobiasen was requested by the chairman to make an investigation and report to the Board at a later meeting.

A petition was received from 38 residents and taxpayers adjacent to the Hillcrest - Narrows Dam Road requesting the Board to forthwith fix this road up. The matter was referred to the County Road Commissioner for an investigation and report.

A letter was received and filed from the Department of Public Works, Division of Highways, notifying the Board that, pursuant to Section 73 of the Streets and Highways Code of the State of California, the State will, within 90 days after the receipt of this notice, proceed to abandon a portion of the State Highway within Nevada County between one mile east of Steep Hollow Creek and one-half mile west of Bear River, road 111-Nev-15-D.

On motion duly made, seconded and carried, it is ordered that the Chairman and the Clerk be authorized to execute an agreement with the Tahoe-Truckee Joint Unified School District for the use of the Veterans Memorial Building for school purposes at a stipulated monthly rental of \$50.00.

On motion duly made, seconded and carried, it is ordered that the Chairman and the Clerk be authorized to execute an agreement with the State of California, Division of Forestry, to provide fire protection for the fiscal year 1951-52 for the sum of \$3600.00.

On motion duly made, seconded and carried, it is ordered that permission be granted to Supervisor Frank J. Rowe to be absent from the State of California from June 9th to and including June 20th, 1951.

Miss Katie Nelson, Business Representative of the Hospital Worker's Union, appeared pursuant to appointment. Further discussion was had on the proposed working agreement between the County of Nevada and the Hospital Worker's Union. The Chairman informed Miss Nelson at the conclusion of the discussion that he felt at this time the Board did not wish to enter into such an agreement. Miss Nelson stated that she was not taking this as a "no" answer by the Board and asked permission to return again on June 21st. The permission was granted.

The Board then proceeded to occupy the rest of the session with the proposals presented by the Superintendent of the County Hospital for salary adjustments of the Hospital Workers. Adjournment was taken until 10 o'clock A. M. on June 7th, 1951.

June 7th, 1951
The meeting of the Board convened pursuant to adjournment at 10 o'clock A. M. The meeting was called to order by Chairman H. G. Loehr, and, upon roll call, all members except Supervisor Rowe were present. Supervisor Rowe having been excused to attend a meeting of the Board of Directors of Weimar Sanatorium.

On motion duly made, seconded and carried, the Chairman was authorized and directed to execute an agreement with the State Division of Highways in which the State will reimburse the County for expenses incurred in controlling puncture vine and other noxious weeds on State Highways in Nevada County as directed by the District Engineer or his authorized representative.

On motion duly made, seconded and carried, it is ordered that the sum of \$500.00 be transferred from the Purchasing Agent maintenance and operation to the capital outlay budget.

On motion duly made, seconded and carried, it is ordered that salary of the following elected officials be fixed as follows: Treasurer & Tax Collector \$420.00; Recorder \$420.00; Assessor \$420.00; Sheriff \$500.00; County Clerk \$420.00; Constable of Nevada and Grass Valley Townships \$500.00; Constable of Meadow Lake Township \$2000.00; Public Administrator \$1100.00.

On motion duly made, seconded and carried, it is ordered that the salaries of the County Hospital workers be fixed in accordance with the survey submitted by the Hospital Superintendent, and it is further ordered that the employees

MANY SPEAKERS ARE
HEARD AT MEET
OF LAKE-SIERRANS

TAHOE CITY—President Harry Comstock of Brockway conducted the luncheon meeting of the Lake Tahoe-Sierra Association held in the crowded dining room of Richardson's Camp at noon last Thursday.

Principal speaker was John Cuddy of Californians Inc., from San Francisco. The chief basis of his talk was the value of tourist trade and how to handle it. He disclosed the advertising methods being used by southern California, which spends far more on this important project than northern California, and pointed out the profitable returns which bring far more tourists to their section.

Lee Gorley, in charge of Bonanza Airlines from Minden and his partner, Bill Riley, Reno manager for the line, outlined the firm's pro-

remain on a six day basis for the present. A copy of the salary survey is filed in the office of the County Auditor and reference is hereby made to the same.

On motion duly made, seconded and carried, it is ordered that the road department workers be raised 56c per day or 7c per hour. It is further ordered that the salary of Mr. Arthur Daniels be set at \$315.00 per month; and the salaries of Harry Cleveland and Noble McCormack be set at \$290.00 per month.

On motion duly made, seconded and carried, it is ordered that the salary of Dr. W. W. Reed be fixed at \$5100.00 per year, and the salary of the Superintendent of the County Hospital be fixed at \$4800.00 per year.

The Board then proceeded to change the range number of all workers who are governed by the salary survey and adopted ordinance No. 177 which amends ordinance No. 173.

A letter was read to the Board from T. L. Chamberlain, Attorney at Law, at Auburn, Calif., urging the Board to include money in the 1951-52 budget for the purpose of providing means of ingress and egress to the residents of the Floriston subdivision. The letter was turned over to the District Attorney for attention.

The hour of recess having arrived, the Board adjourned until Thursday, June 21st, 1951, at 10 o'clock A. M.

posed plans to increase travel between Lake Tahoe, Reno, Las Vegas and Phoenix. Comstock thanked the newspapers for their splendid cooperation in reporting activities of the association and stressed the need for a larger fund in the treasury with which to advertise Lake Tahoe's many advantages. Bud Scott made a short talk on the launching of his new cruiser Tahoe and asked cooperation of the local resorts and businessmen in making the new venture a successful experiment for all.

Secretary Brussard of the Reno chamber offered wholehearted cooperation in promoting the Reno-Lake Tahoe area to the advantage of all. Pete Bennett, manager of Brockway Resort, gave a brief resume of his recent trip to Honolulu where he attended a hotel men's convention and where he waxed eloquent about the beauties and vacation advantages of the Lake Tahoe-Sierra region. Mr. Grady of the El Dorado County chamber talked briefly and George Kehlet, the association's advertising manager, gave a comprehensive resume of the extensive advertising program which has been carried out over recent months.

Robert Breuner, president of the Sacramento chamber, told of the good will tour being sponsored by his group to Truckee and Lake Tahoe over Highway 40 June 15 and 16 and invited all to join in the celebration. A large dinner will be enjoyed by the group at Brockway on the night of June 15 and

pital for galvanic treatments of the arm he has carried in a sling for many long months.

Elmo and Jeannie Moriano spend most of their time landscaping their big back yard, adjacent to the swimming pool at Beacon Hill Lodge. Doris and Brant Chaplin move back on the cluttered premises of Soda Springs Hotel after sojourning at Rainbow Tavern, their other hotel, for the past

month or so. Doris rushes around getting things "together" after a crew of workmen have spent a goodly time tearing them apart. Lonnie and Rose Goss come in dirty faced after having brought up their horse string from down below. Saddles to be mended, mounts to be shod and curried for the season, they both work long and hard. Young Ronnie Jones tells us he is getting his own horse. The Virgil Miseners return from their Utah trip and start in to cut and burn scrub trees and bushes that clutter their property.

Barbara Zorich cooks a heck of a good dinner for husband Bud who just celebrated his birthday. Eleanor Johansen still lolls in the sun and listens to phonograph records as nature hastily repairs her after a rugged operation.

Sugar Bowl people have started in their annual trek to that lovely settlement over a road that shows the effects of last winter's floods. Likewise the Cedars' summer crowd hasten toward their hidden paradise. Kingvale Park's shutters are off for the summer and as soon as the last bell rings to signify the end of school days, the big rush will be definitely on.

San Andreas, county seat of Calaveras County, was founded in 1849 by the Mexicans.

As the West's towns have grown, we've pushed farther out into the "country" with new telephones.

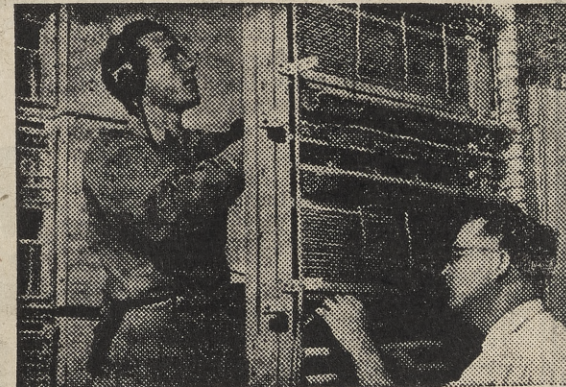

A FEW MONTHS AGO THIS WAS AN OPEN FIELD

In most towns you can telephone over a wider area than ever

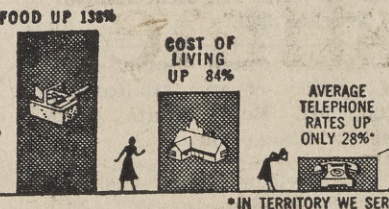

1. In this little map of a Western town you can quickly see one of the results of our tremendous telephone expansion program. The light part shows the area of the community served by the local telephone exchange, at basic local rates, before we began to build following World War Two. The shaded area shows what we've added in just the past five years to keep up with the growing city. In many places the added area is larger than the old.

3. All this newly built-up calling area—which adds greatly to the number of telephones you can call—is another boost in the value of the service for local telephone users. You can call anywhere in these newly built-up areas at rates which are a real bargain today. For in spite of inflation, in spite of higher costs of providing service, telephone rates on the average have gone up less than half as much as the cost of living.

2. New equipment in amazing amounts has been put to work to increase the number of telephones you can call in most towns. For adding each new line means providing a separate pair of wires back to the central office. And the distance we must run these wires increases as we push out from the main part of town. Expensive, yes. In fact, our expansion program in the last five years is the largest ever executed by an operating public utility.

Price increases since 1940

BUTTON GARDEN TO BE SEEN AT SHOW

Ever see a garden on a button? You will when you come to the Hobby Festival, sponsored by the Tahoe-Sierra branch, AAUW, at Tahoe City July 20, 21 and 22. It is the hobby of Mrs. Paul Webb of Loomis.

For dog fanciers, Mrs. Herman T. Rauh will give demonstrations of the obedience tests for dogs. At the age of six months, Drelms Gentleman John, a tri-color collie, was one of the youngest dogs ever to pass an obedience test, and will be exhibited.

For the ever-growing number of "rockhounds" and lapidaries, there will be daily demonstrations by a well known rockhound from southern California, O. C. Smith, author of Identification and Qualitative Analysis of Minerals and past president of the Los Angeles Mineralogical Society.

There'll be "mink coats in the rough" too, shown by C. S. Beavers, with the forest service at Tahoe City. His hobby of trapping fur bearing animals started as a boy while on a cattle ranch, because of a deep interest in wildlife. He will display skins of mink, muskrat and raccoon, all trapped in the Tahoe region.

The Hobby Festival will be open from 10 a.m. to 10 p.m. daily. The Women's Club of Tahoe will be managing a refreshment concession all during the festival.

Rablins from Roseville—

Mr. and Mrs. O. J. Rablin of Roseville expect to spend the summer in Truckee. Mr. and Mrs. J. Neugebauer who have been occupying their house here will move to Donner Lake where they are building a modern home.

From City—
Douglas Asplin of San Francisco was a local visitor last week.

Visit Mother—

Guests this week of Mrs. Mary Marquis of the Sierra Tavern were her son and daughter-in-law, Mr. and Mrs. E. L. Marquis and their daughter of Eugene, Oregon.

Tonsilectomy—
Carol Gracik, small daughter of Mr. and Mrs. John Gracik, is recuperating following a tonsilectomy this week.

To Morro Bay—

Accompanied by Mr. and Mrs. Les Harris of Berkeley, Mrs. Annie Tonini left Tuesday to spend several days visiting Mr. and Mrs. Ben Tonini and other relatives at Morro Bay. The Harris had been enjoying the fishing here this week.

In Capital—
After spending several days in Sacramento, Mr. and Mrs. Anton Mahne returned home last week.

Mrs. William Campbell is up and around following surgery performed at Reno last Thursday.

CARD OF THANKS

We want to thank all our friends and neighbors for their nice reception on the opening of our M&E Coffee Shop. The flowers were beautiful and your best wishes are appreciated.

Tarzan

by EDGAR RICE BURROUGHS

RELEASED FROM HIS CELL BY THE DAUGHTER OF
THE DERANGED ANTHROPOLOGIST, TARZAN STOLE
TOWARD THE LABORATORY TO FREE THE CAGED APES.

-- TARZAN ENTERED THE
ROOM AND OPENED THE
CAGES. "HURRY!" HE
COMMANDS, "CLIMB OVER
THE OUTSIDE WALL --
RUN TO THE JUNGLE!"

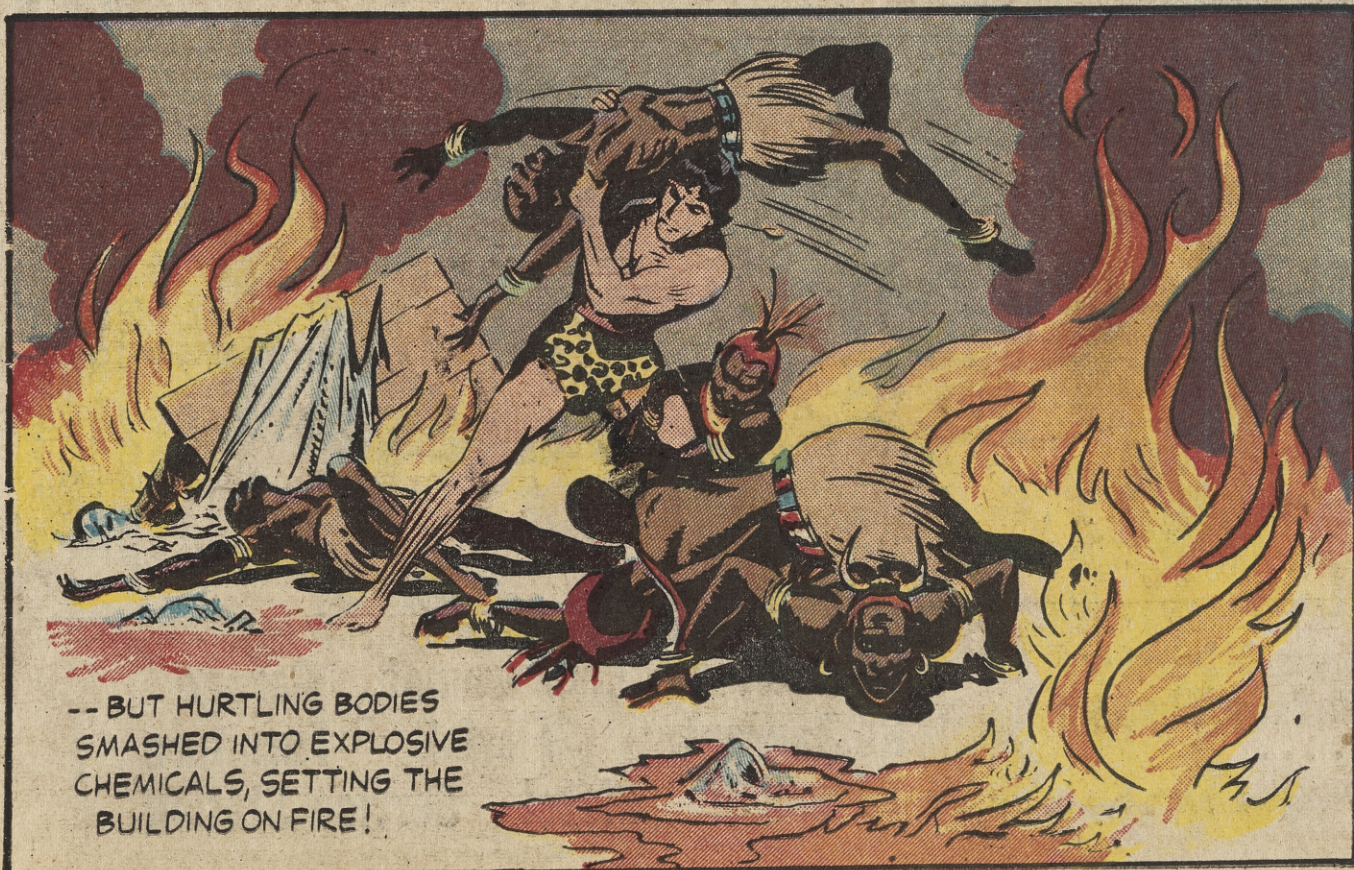

THE APES
QUICKLY FLED, BUT THE SCIENTIST, WATCHING
FROM A HIDDEN PANEL, CALLED FOR HELP!

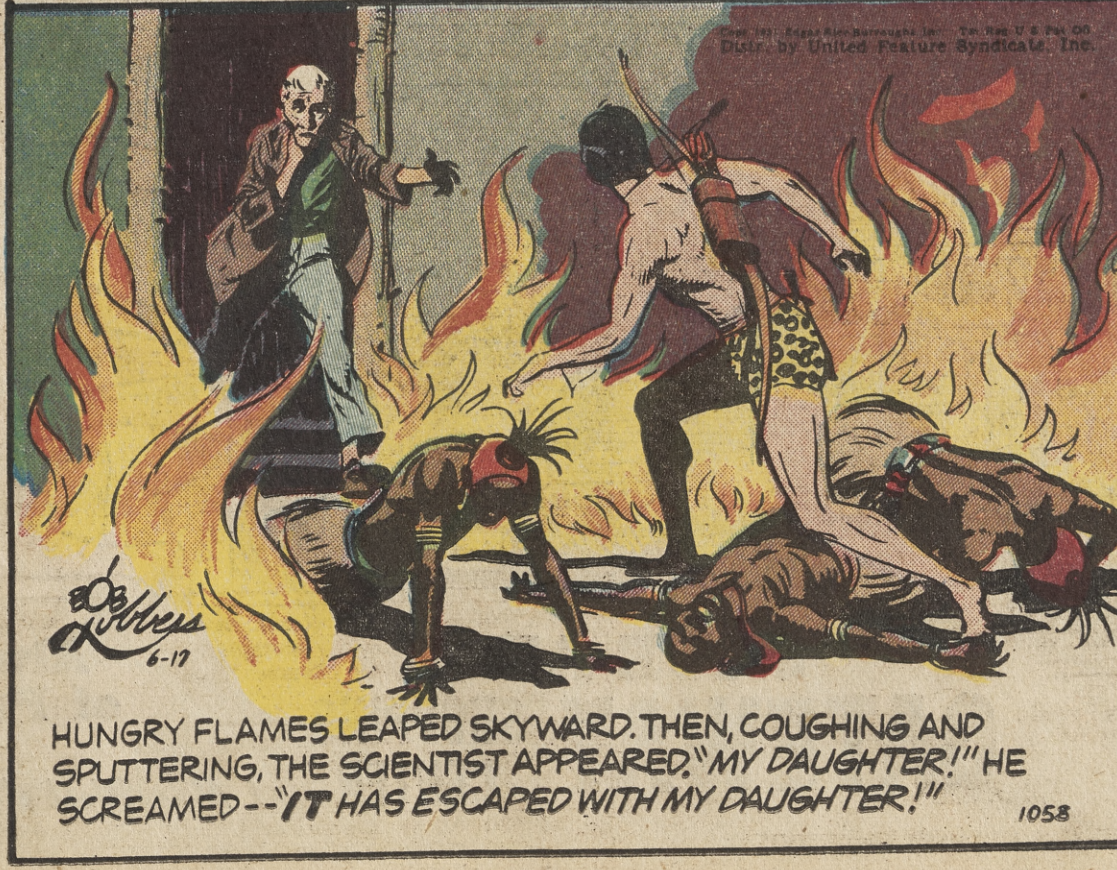

THE APE-MAN LEAPED
TO SILENCE HIM, BUT
HE VANISHED BEHIND
THE SLIDING PANEL --

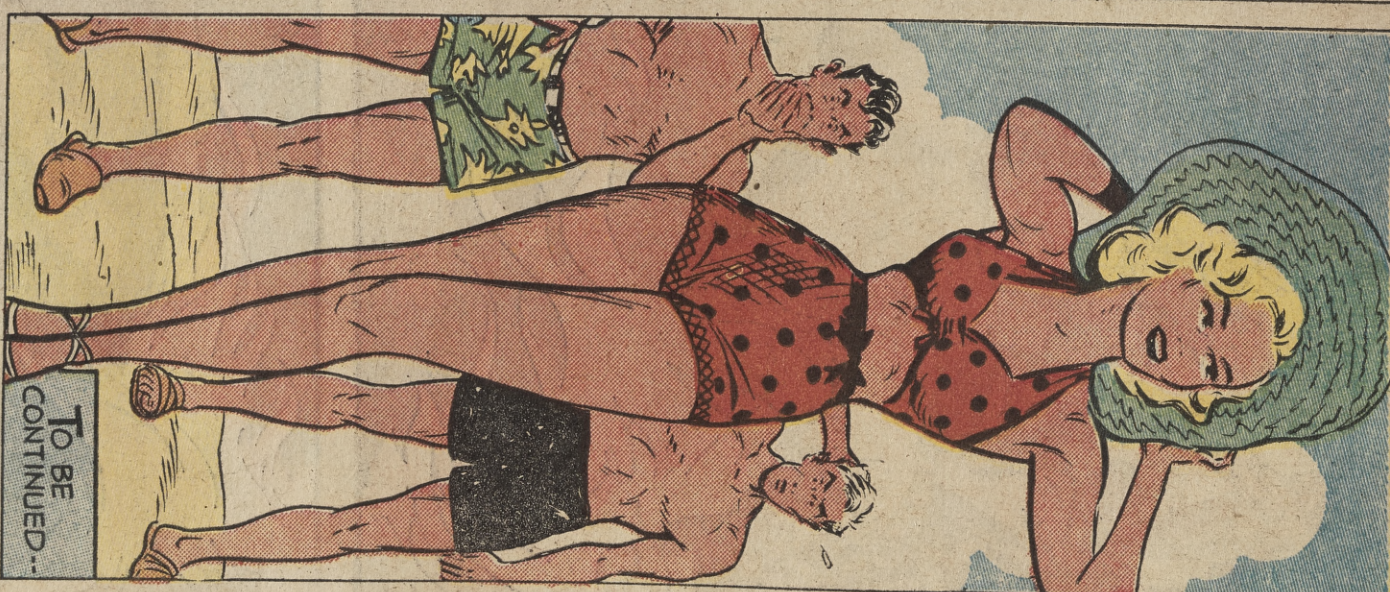

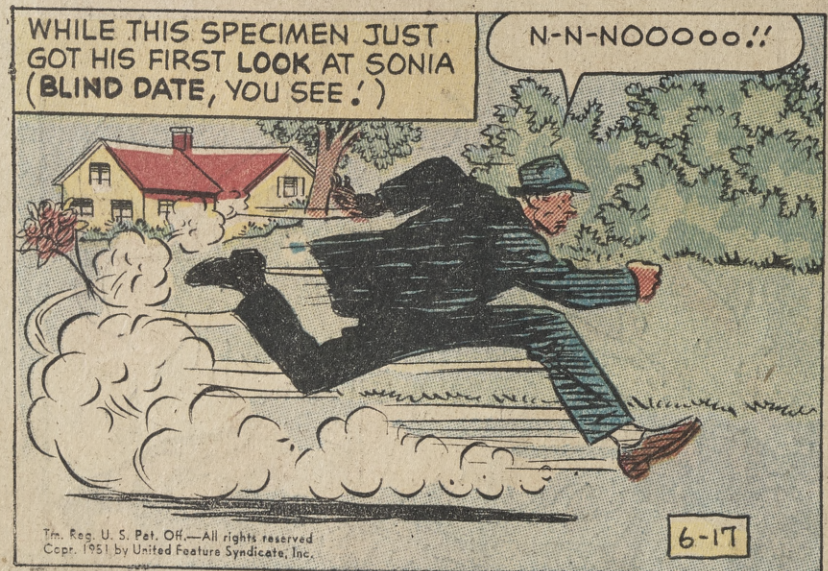

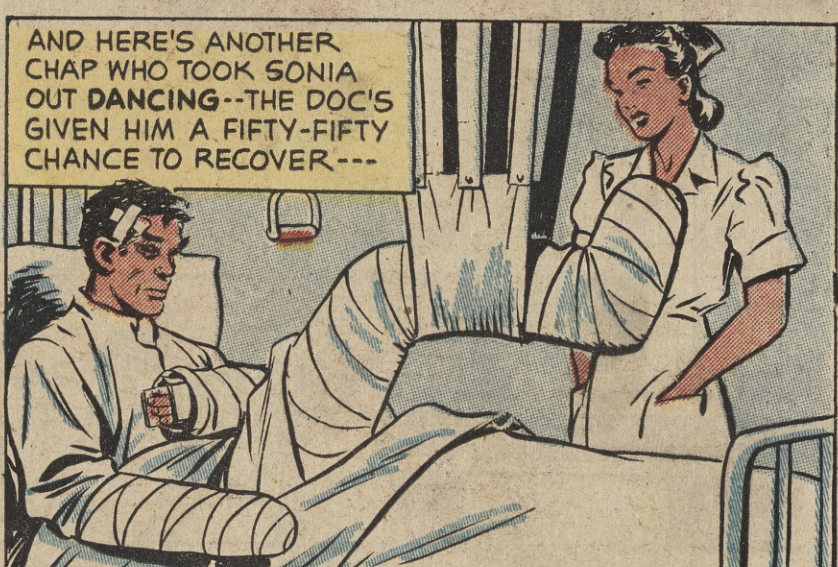

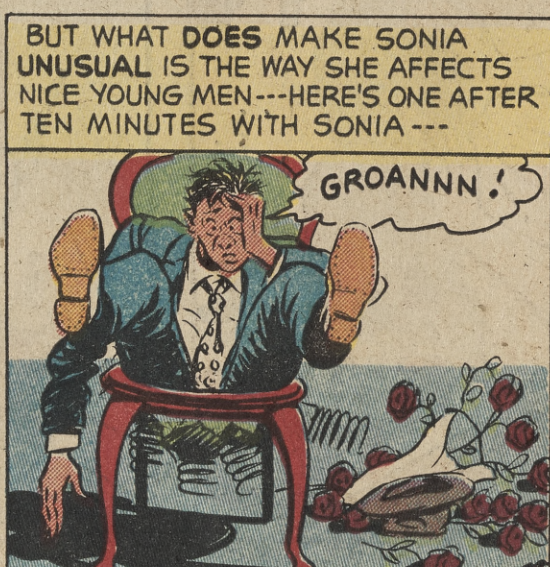

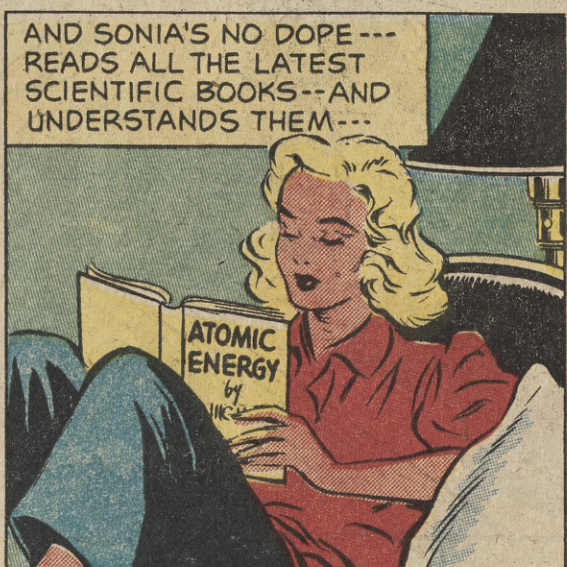

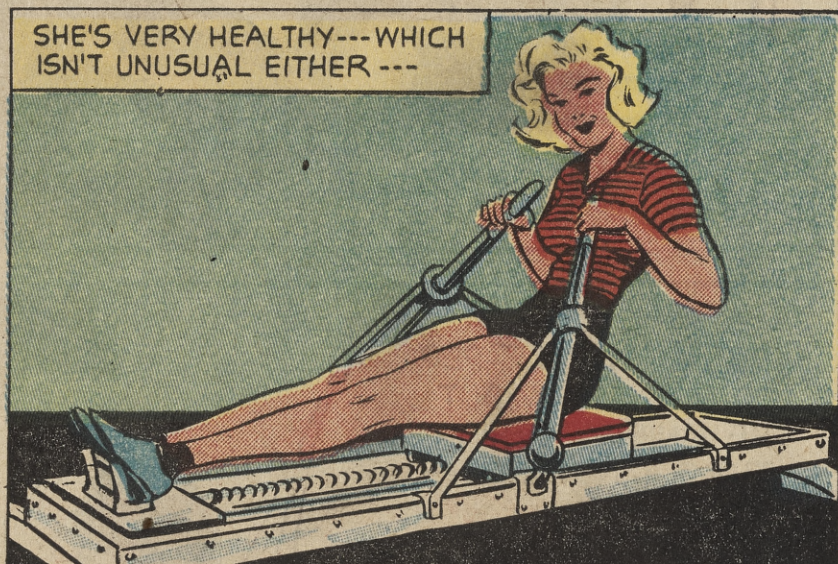

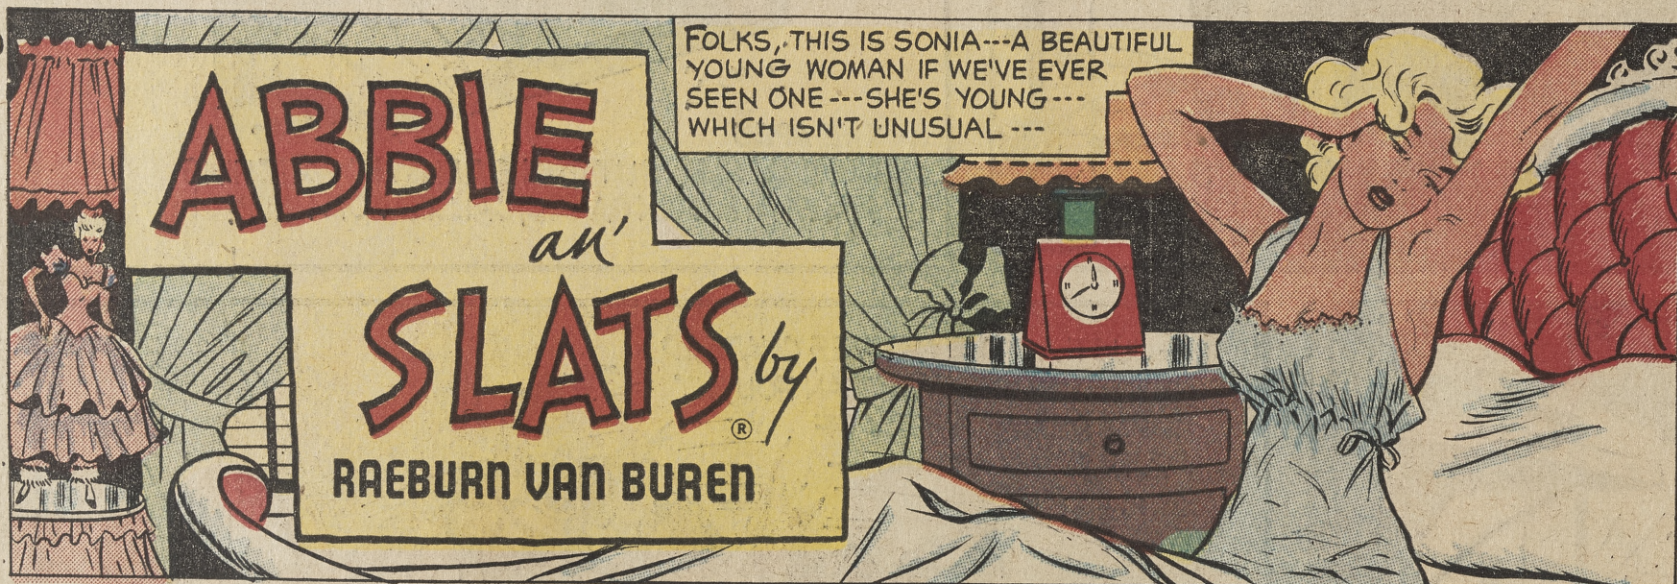

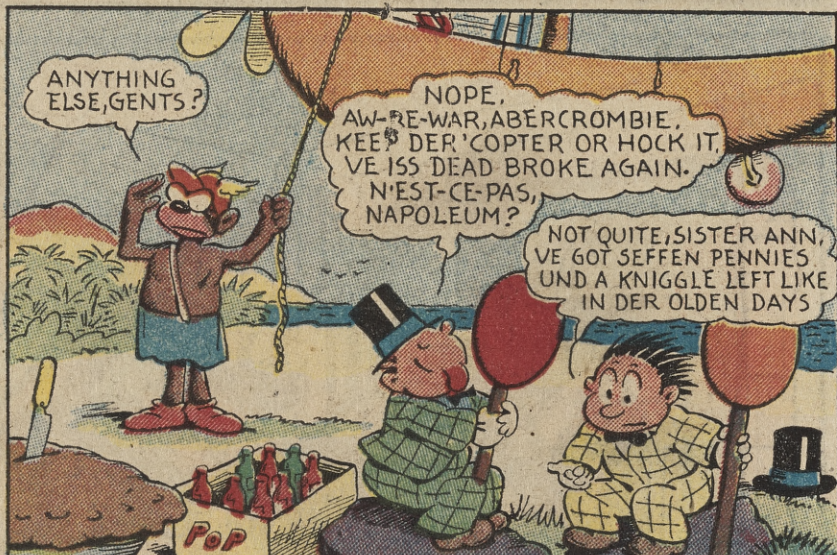

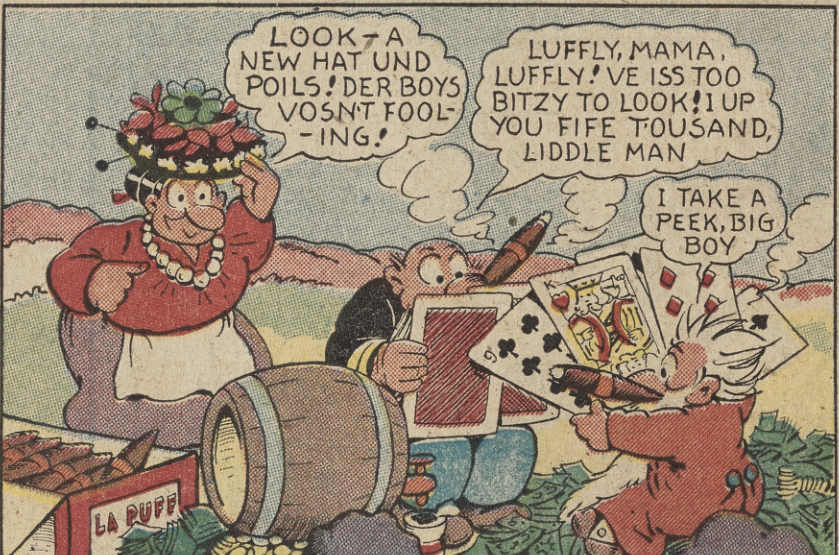

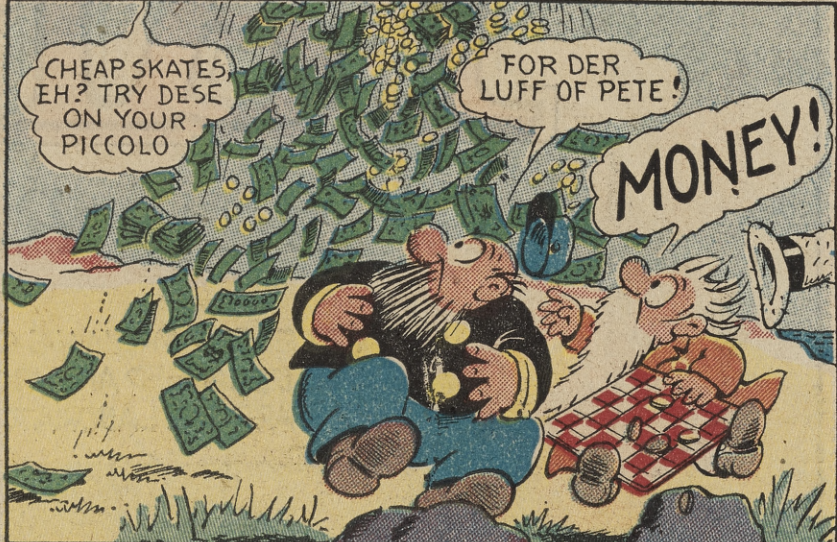

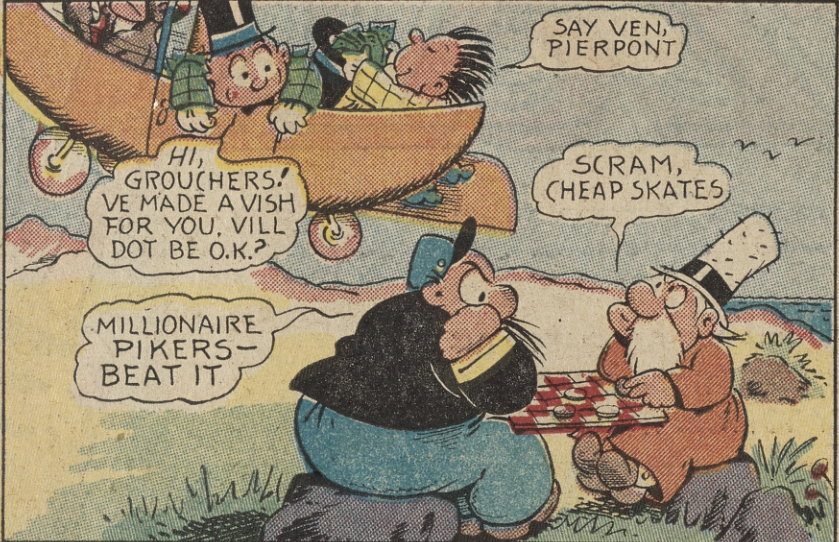

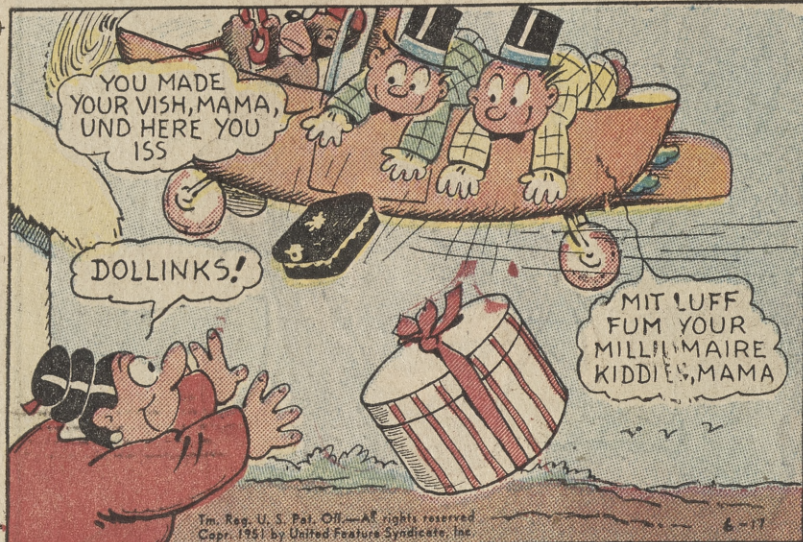

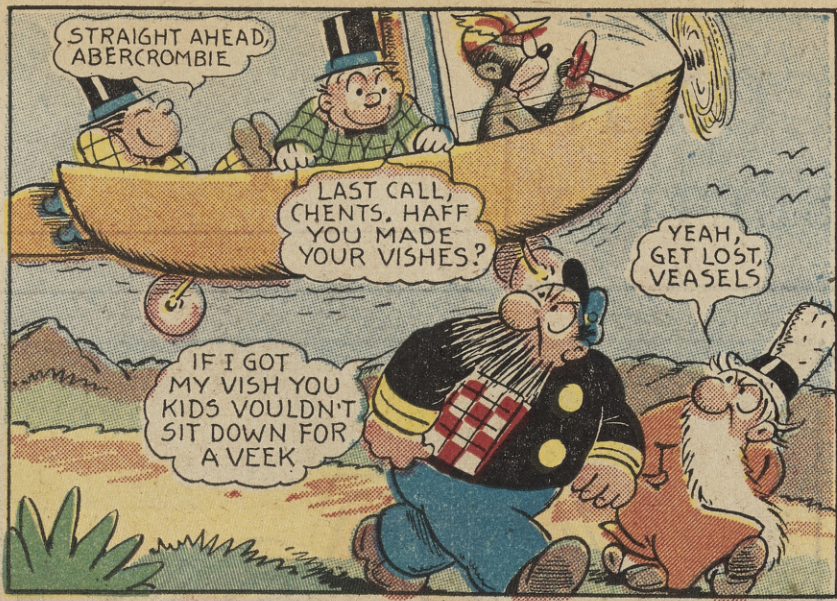

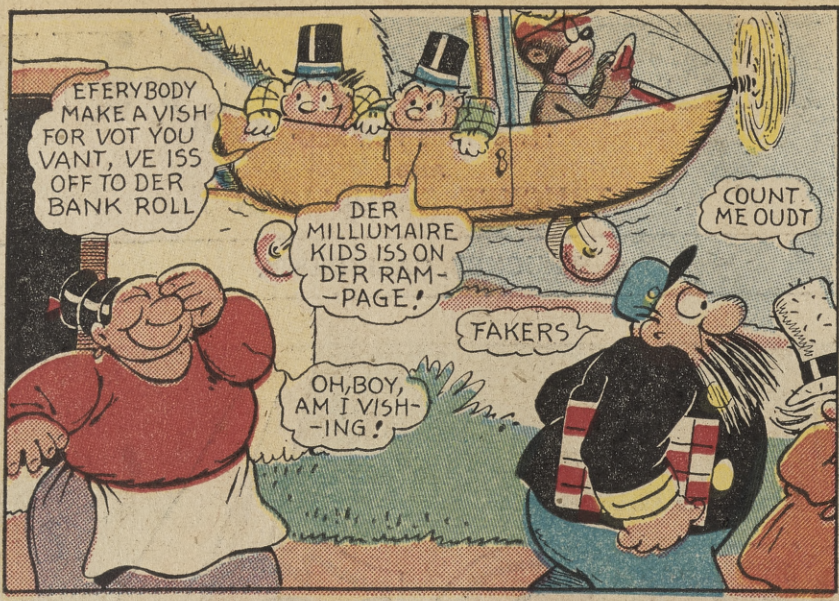

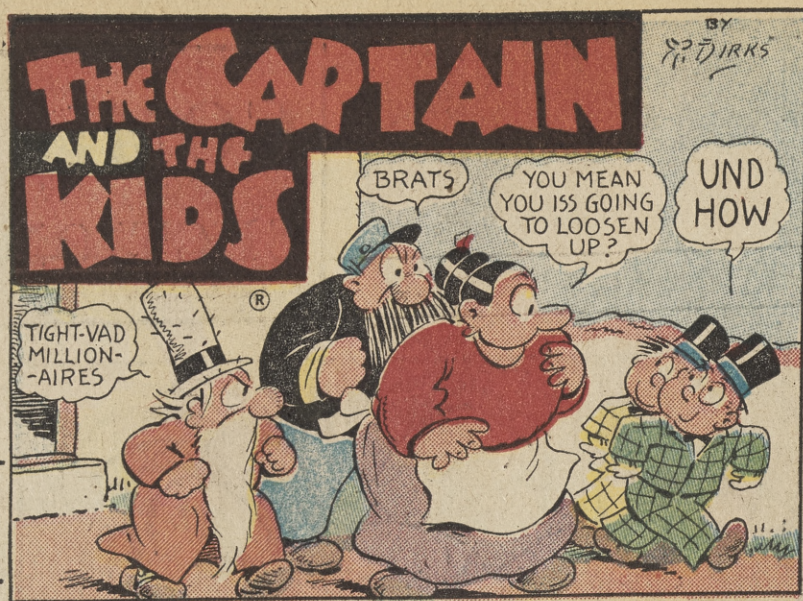

-- JUST AS THE NATIVES CHARGED
INTO THE ROOM! TARZAN FOUGHT
WITH THE SAVAGERY OF
A TRAPPED ANIMAL --

-- BUT HURLING BODIES
SMASHED INTO EXPLOSIVE
CHEMICALS, SETTING THE
BUILDING ON FIRE!

HUNGRY FLAMES LEAPED SKYWARD. THEN, COUGHING AND
SPUTTERING, THE SCIENTIST APPEARED. "MY DAUGHTER!" HE
SCREAMED -- "IT HAS ESCAPED WITH MY DAUGHTER!"

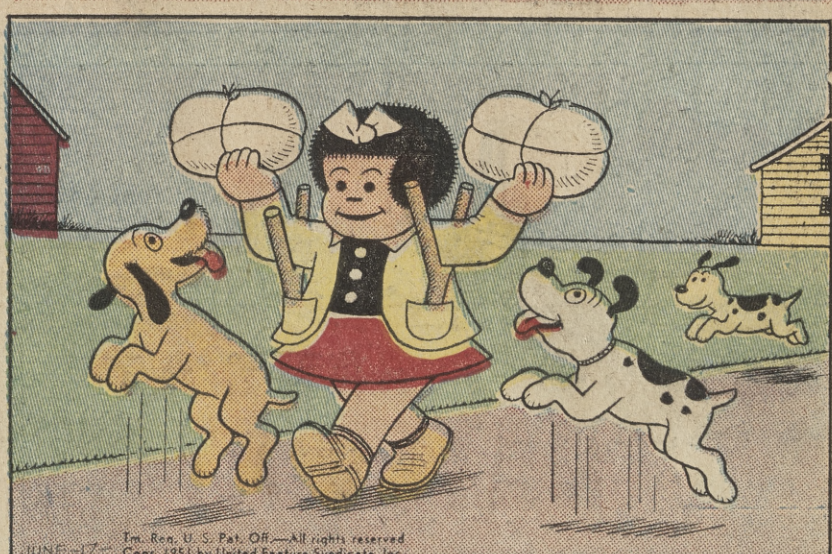

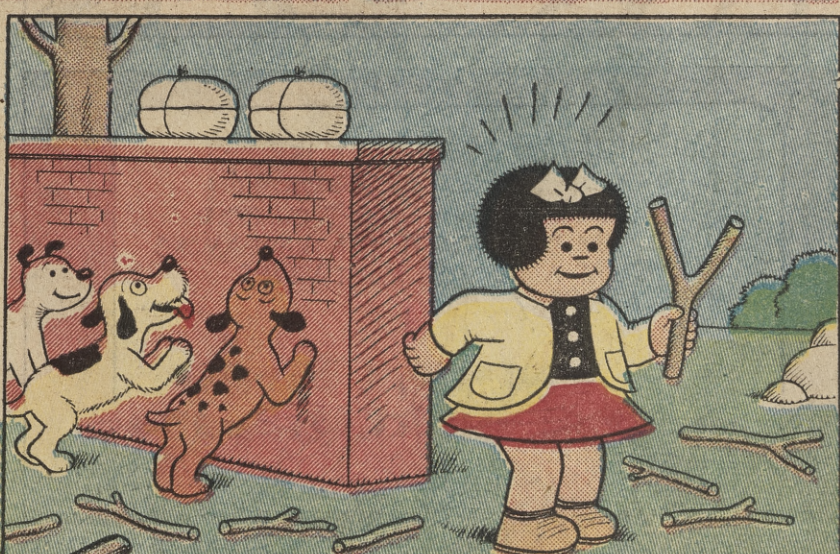

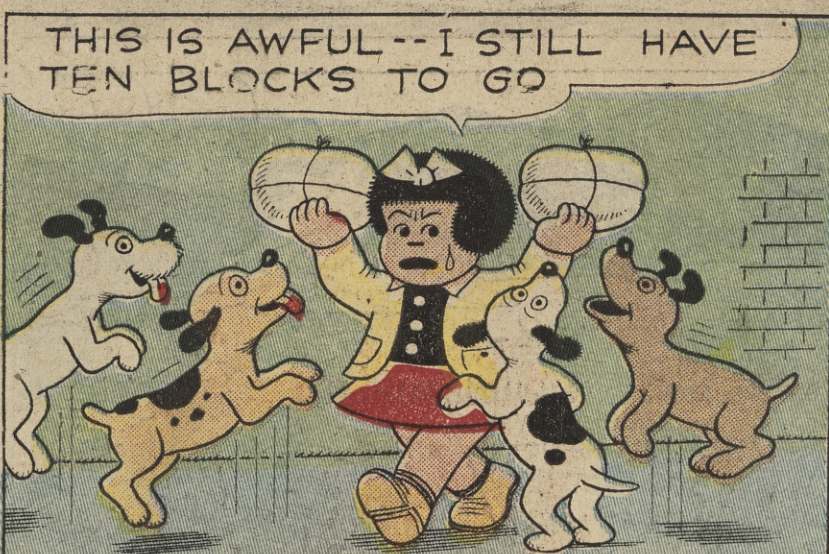

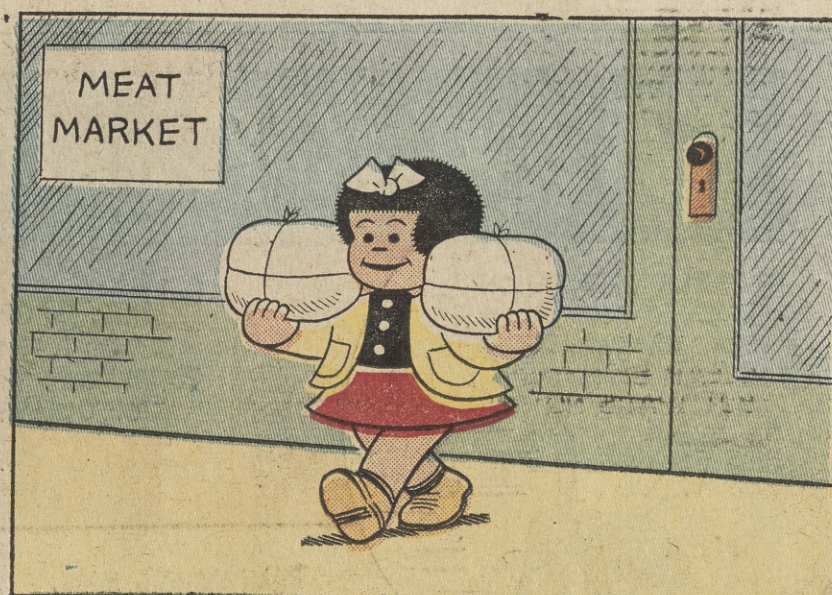

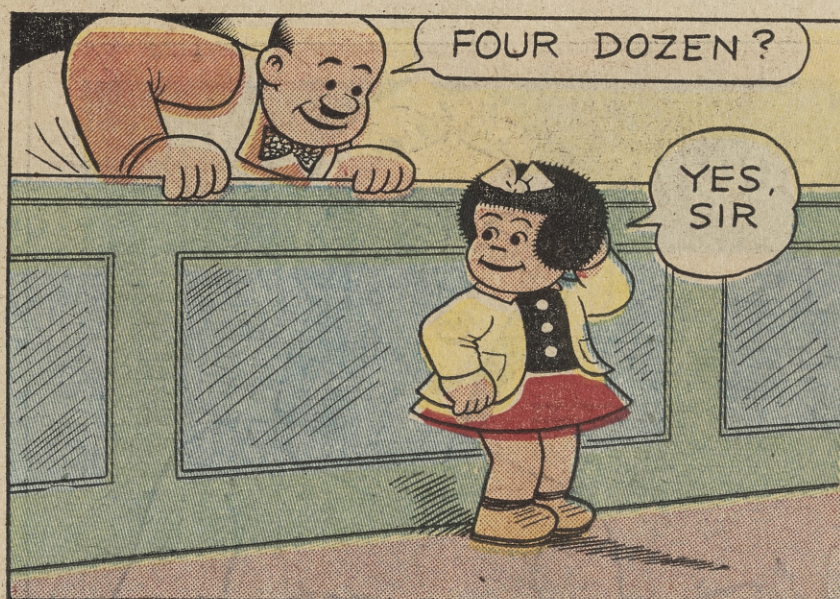

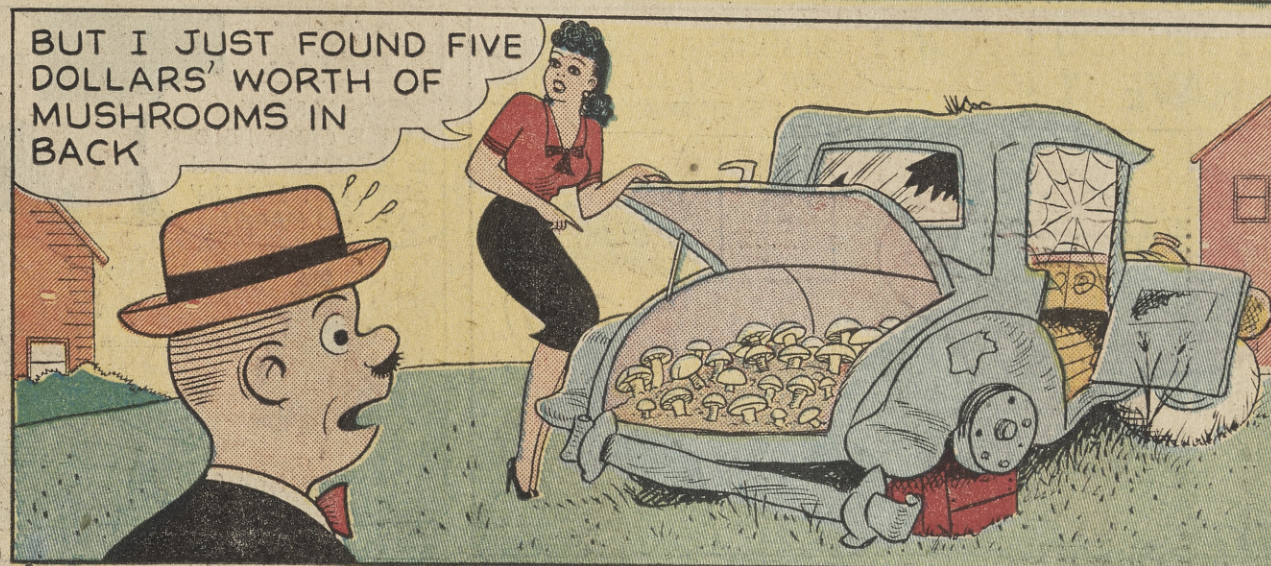

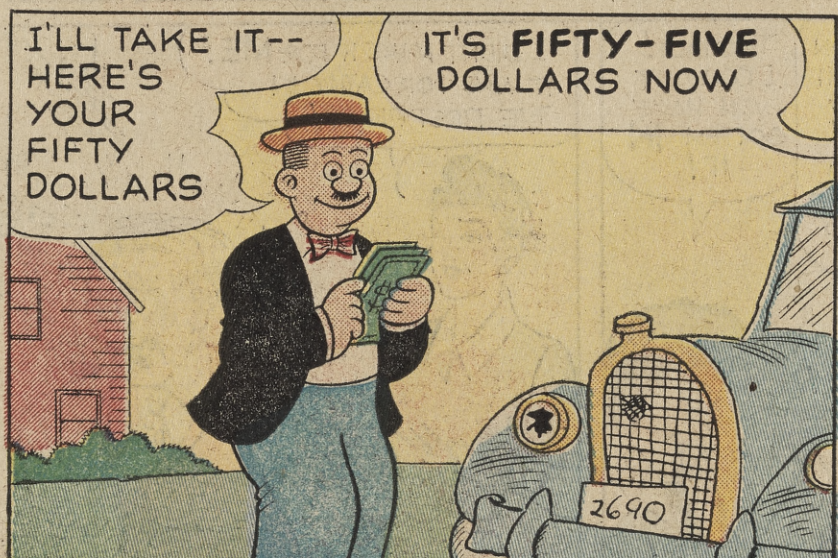

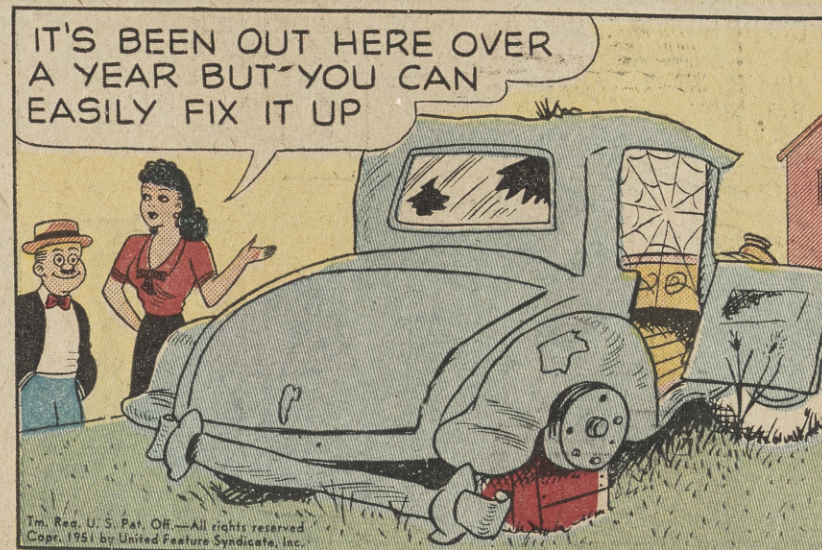

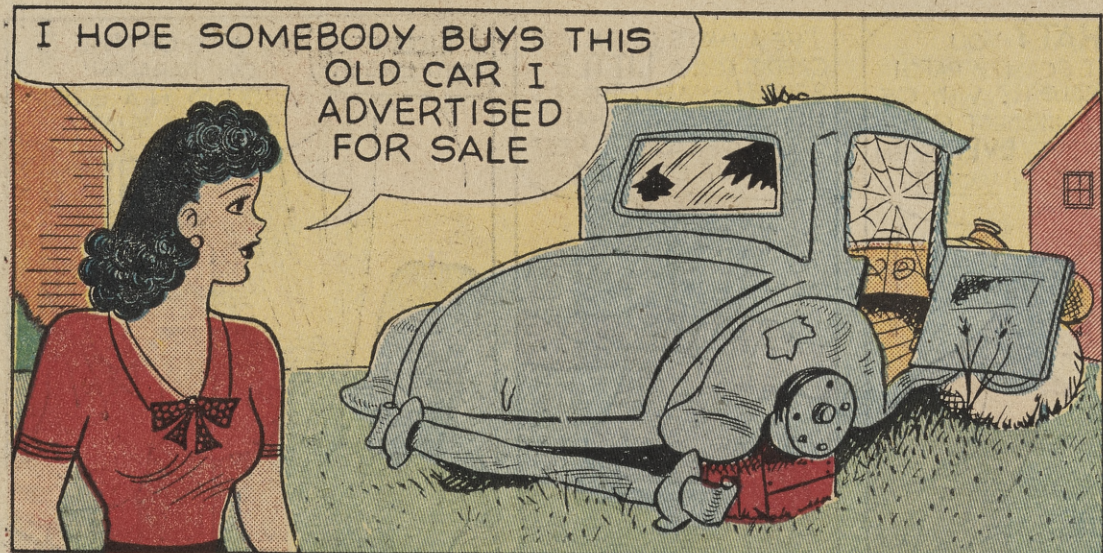

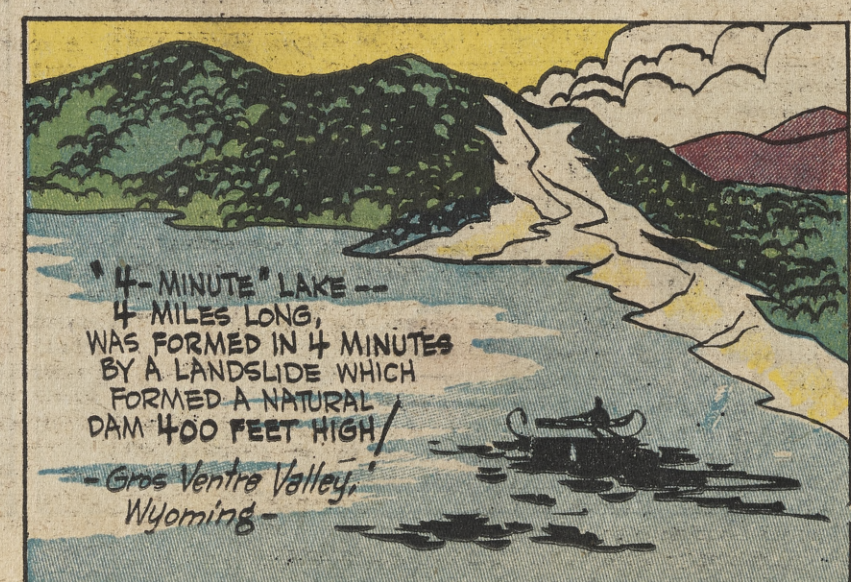

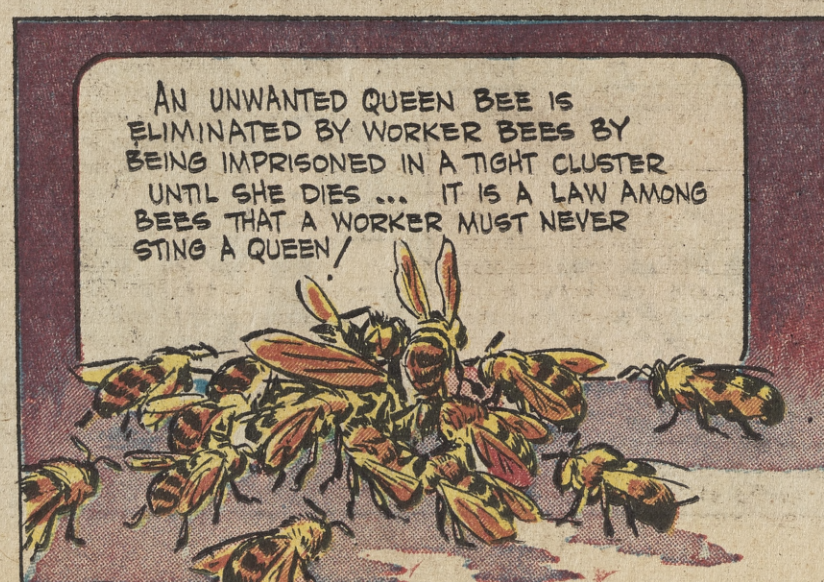

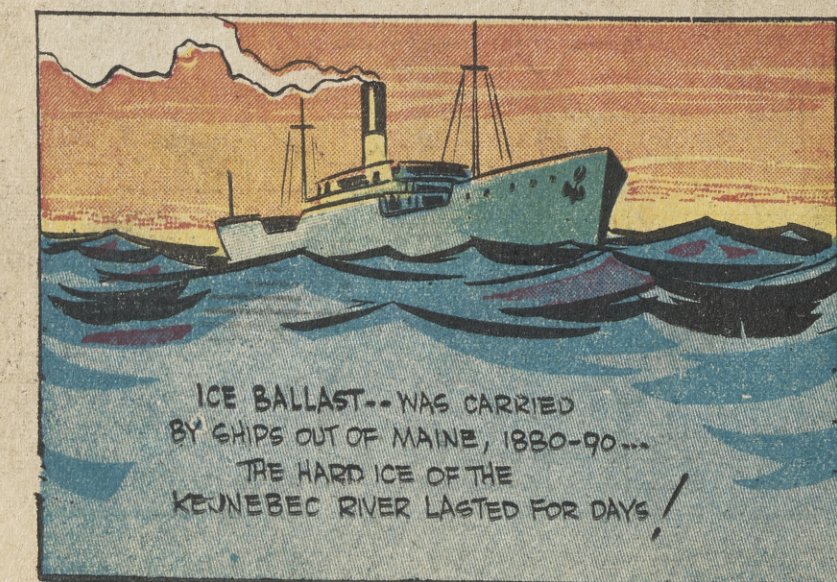

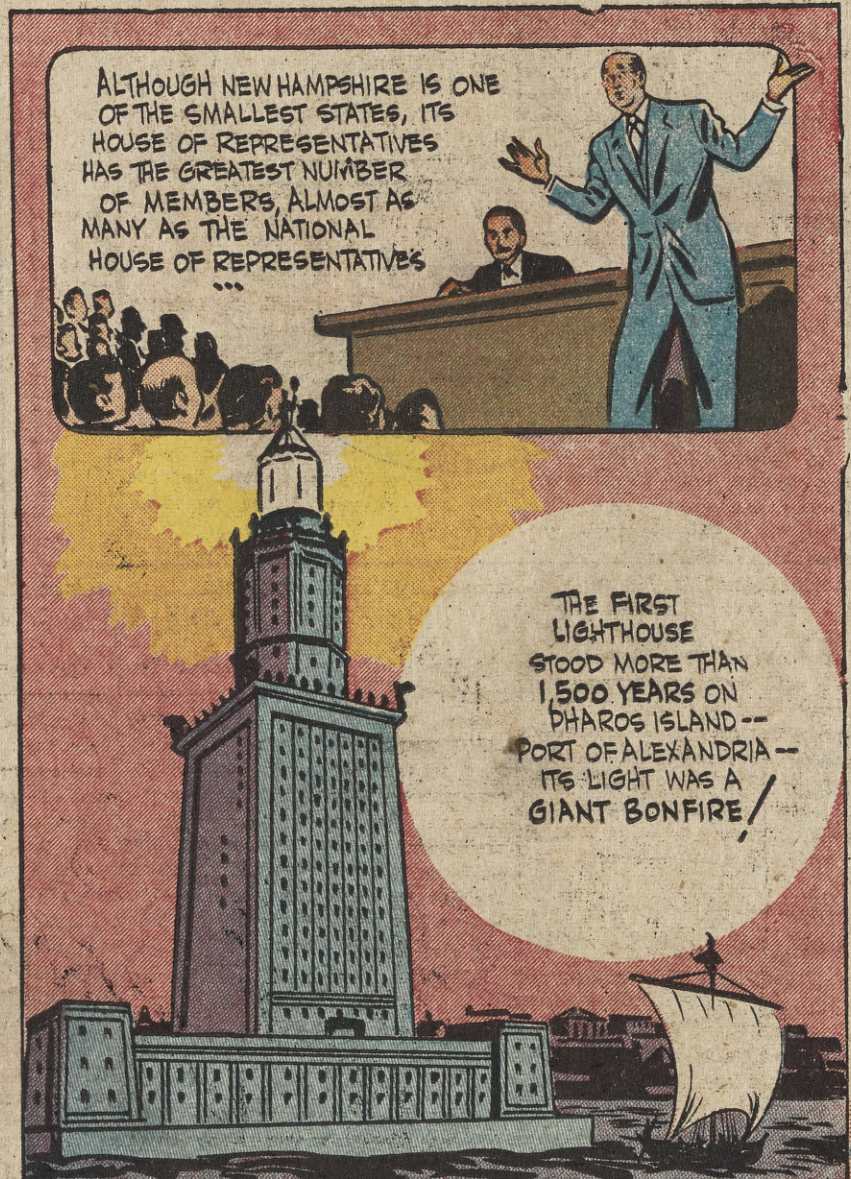

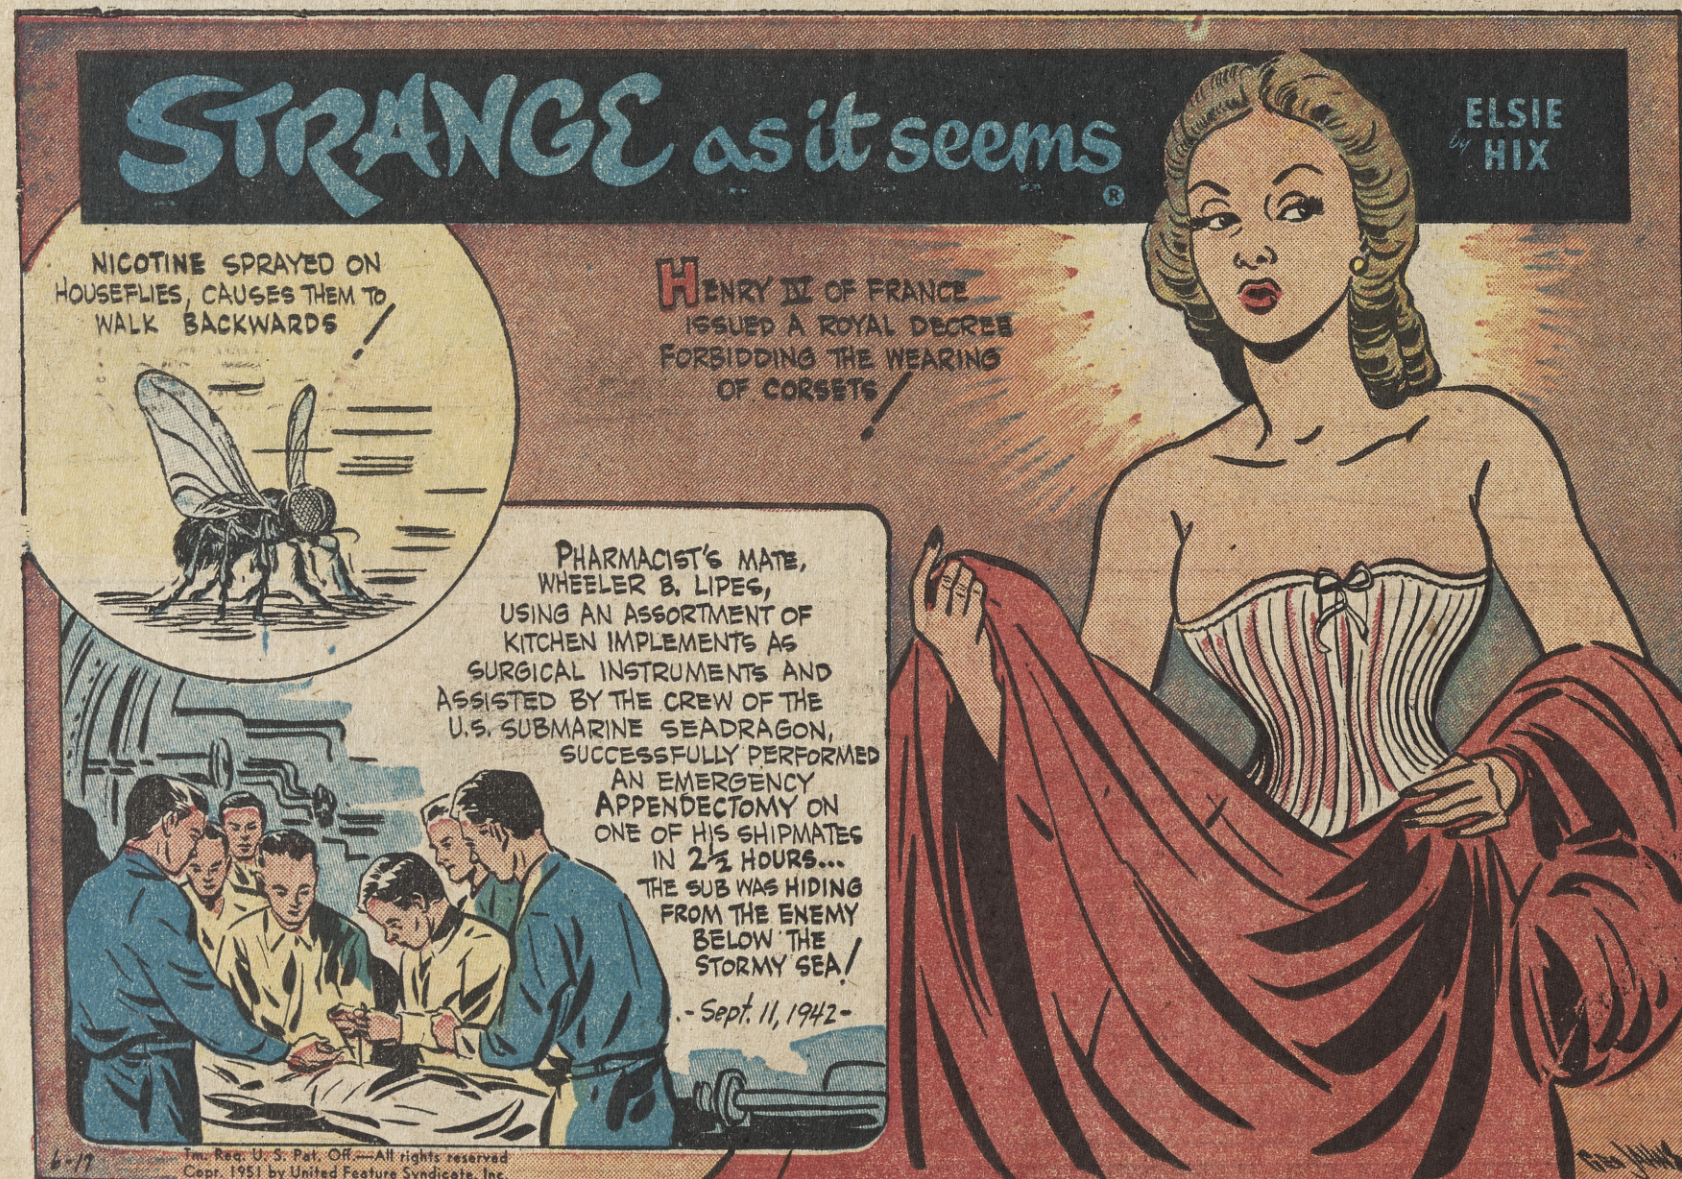

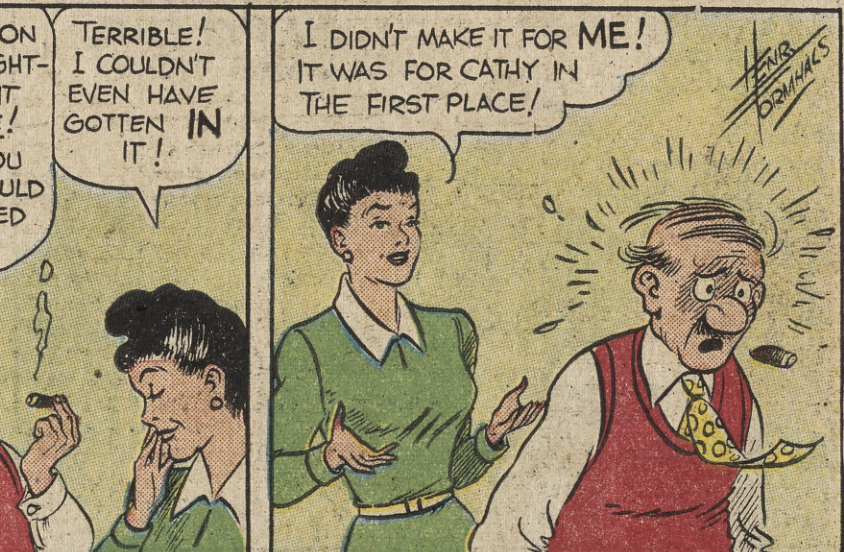

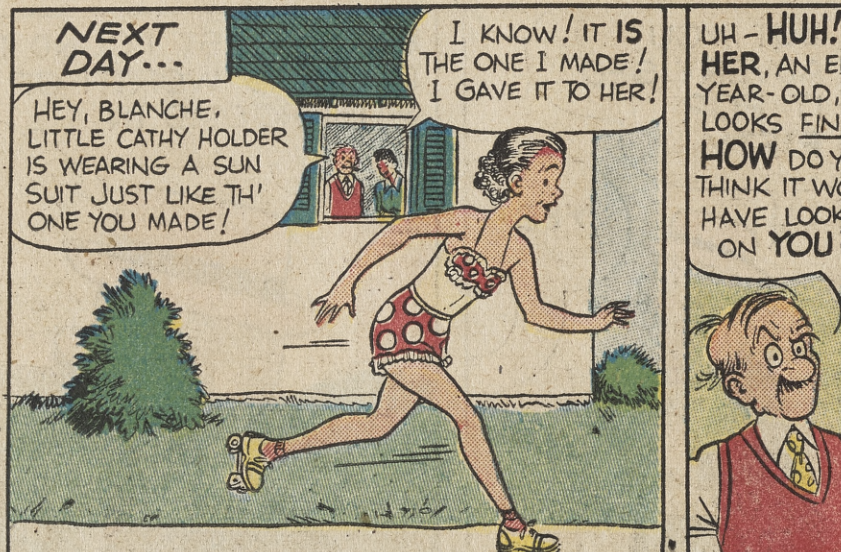

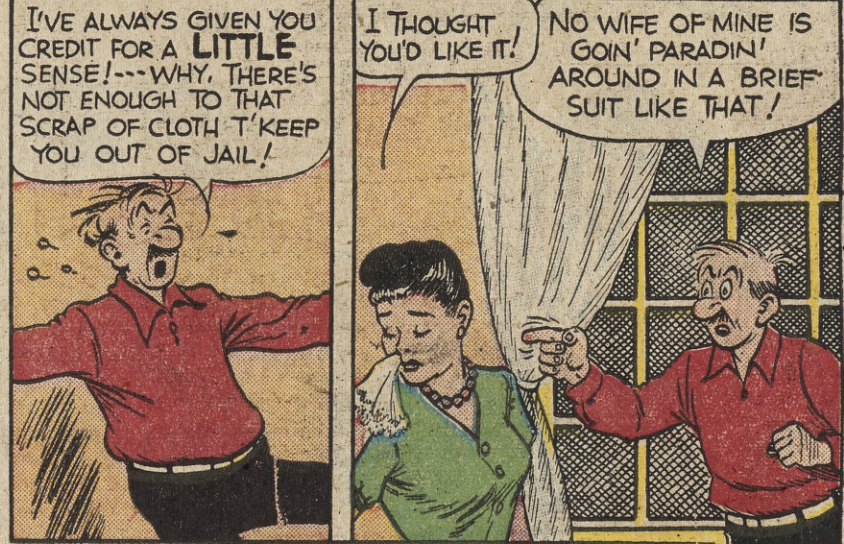

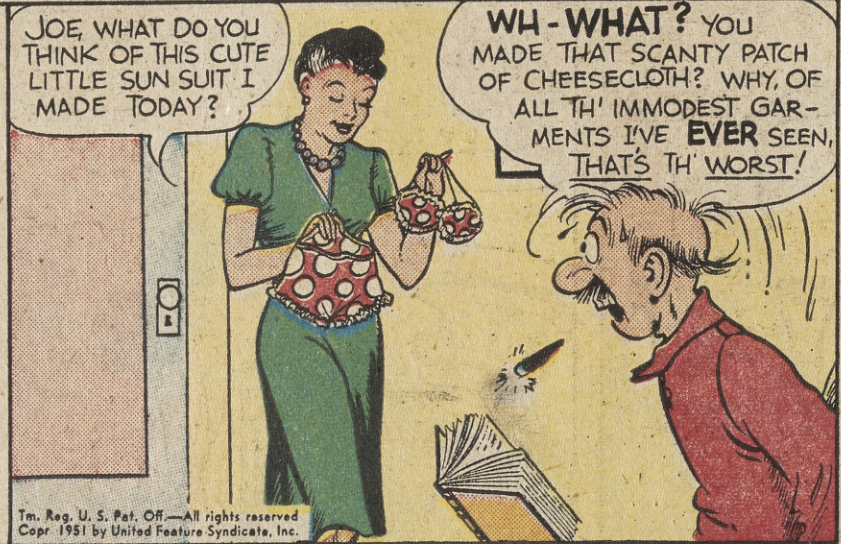

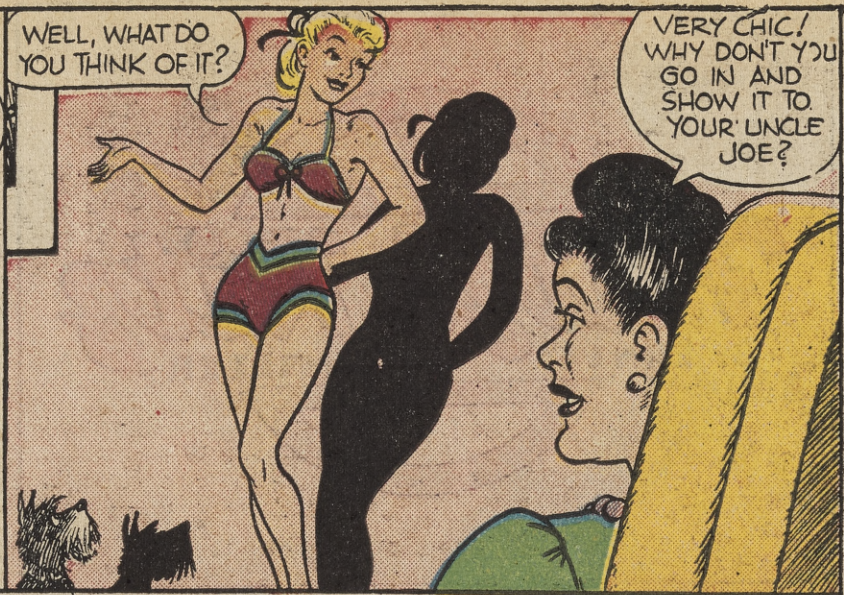

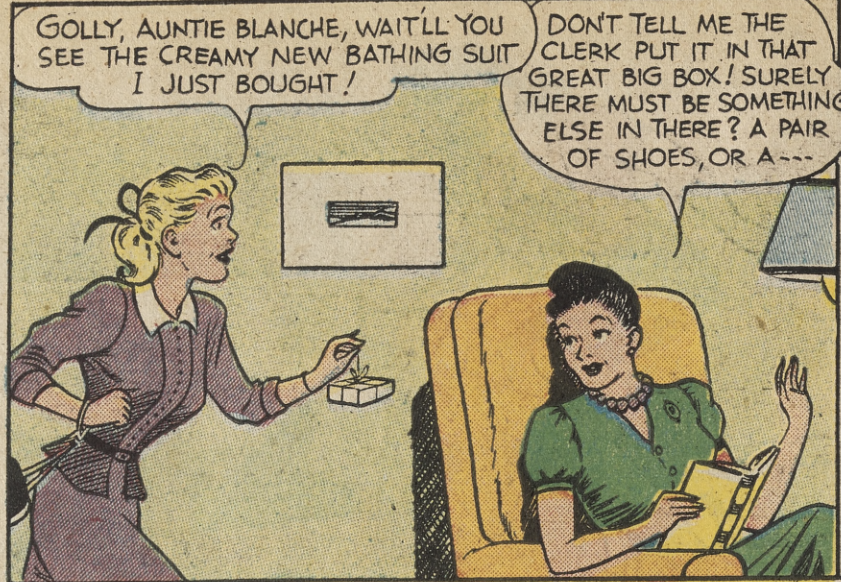

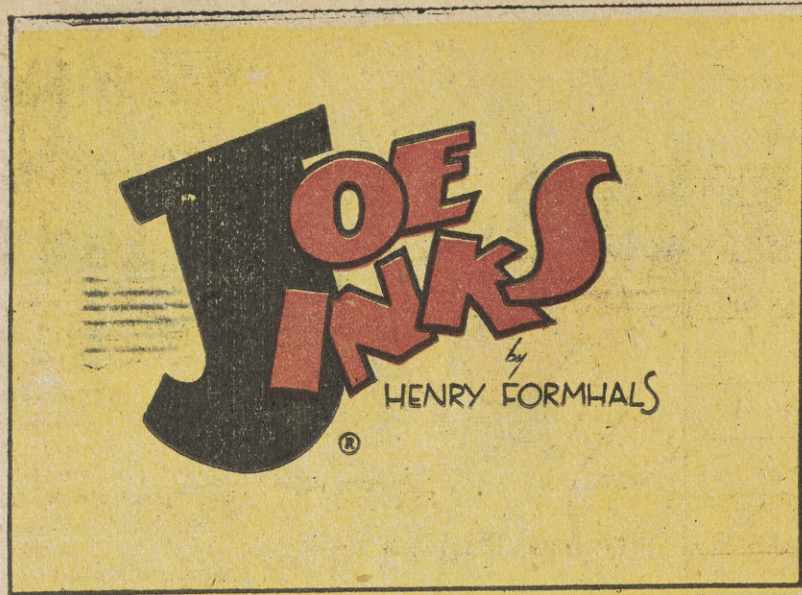

--AND THIS MAY EXPLAIN WHY SONIA AFFECTS MEN THE WAY SHE DOES---THERE'S NINE FEET OF HER---ALL BEAUTIFUL---BUT WHERE'S SONIA GOING TO FIND A MAN WHO CAN LOVE HER WITHOUT TAKING HIS LIFE IN HIS HANDS? QUESTION IS---HOW'S SONIA GOING TO GET A MAN ? ? ?
